Frequently asked questions:

Where is the accommodation at Worcester? All of our accommodation is within the college grounds, or no more than 300 metres from the perimeter. Worcester’s buildings span many centuries: some of the undergraduate rooms are in the historic fifteenth century and eighteenth century buildings, but most date from the mid- to late-twentieth century.

Will I have access to an en-suite bathroom and/or kitchen? Over two-thirds of our student rooms are en-suite and have access to good kitchen facilities. We also have a number of shared student houses.

Can you provide me with accommodation throughout my degree? The college can typically offer accommodation to all undergraduate students for three years of their degree.

Can I request a certain type of accommodation? Incoming undergraduates are asked to specify a preference for the grade of accommodation they would like to live in. We also ask our undergraduates to let us know if we can make any adjustments or provide particular accommodation to suit their individual needs; if you would like to know more about what we can offer, please ask on the Open Day or get in touch with us at admissions@worc.ox.ac.uk.

What does the accommodation look like? You can find some example screenshots of student rooms below. The following pages are drawn from our JCR Freshers’ Pack, produced by current students for incoming students in 2020/21.
Worcester’s accommodation is split into 6 grades, with 1 being great value to 6 being more expensive. Almost every room has a sink and mini fridge. In first year it is mainly only grade 6 and some grade 5 rooms that offer kitchens, but if you don’t have access to a kitchen you get a reduction in the price for informal dinner.

**Wolfson (AKA Fishbowl), staircases 19-20.**
This is grade 6 accommodation, with ensuites and 2 shared kitchens. These rooms are modern and simple, with 24 rooms in the building.

**Main quad, staircases 3-6.**
This is grade 1-2 accommodation, with shared bathroom and no kitchen. There are 18 rooms in total. Some rooms have a living room and bedroom, and you’ll be in some of the oldest buildings in the college, with a great view over the quad!
