## Coming Up:

### Head of the River

After a long period of rain and cancelled external regattas, the club is looking forward to finally making a jump on the Tideway to compete in one of the biggest regattas in the country. Come to London on the 23rd of March to cheer for our M1!

### Summer Eights

With the year of to rainy start, it's time for what we've all been waiting for: Summer Eights! Bumps racing will run from the 22nd to 25th May and all old members and friends are more than encouraged to make their way to boathouse island and cheer on our crews. All alumni are further cordially invited to attend a celebratory Boat Club Dinner on the evening of the 25th of May - further information on how to sign up will be provided. If you are a member of the Martlet Society and would like to ballot for High Table Dining or are interested to race in a lower boat, please do get in touch. We look forward to having you.

## Happy Hilary!

### Updates from Term

With rowing on the isis limited, the club kept up training by venturing to different waters such as Swindon and Gloucester. Nonetheless, Torpids were unfortunately cancelled due to the ongoing flooding and rain. The athletes still had a chance to show off the hard training they had put in with great performances by both squads at Indoorpids and the M1 winning Indoor-Blades (or Handles...). The term was appropriately celebrated with Boat Club dinner on Saturday 2nd of March.

### 2024 Boat Race

WCBC is proud to announce that two members of Worcester are still actively trialling for the 2024 Boat Races against Cambridge: Gabriel Reynolds, a first-year undergraduate studying Maths and Computer Science and winner of the National Schools Regatta in 2022 is aiming for a seat in Isis. As well as, Dorothea Stark, a 3rd year Medic and former Women's Captain of WCBC, who learned to row

here as a fresher, is taking the step up and hoping for a seat in the lightweight reserve boat. Please note that Crew selections are not final until the 13th of March. We cannot wait to see you at what is promising to be a rowing spectacle: Watch the Spares races from Putney Embankment and meet us on Saturday the 30th outside the Blue Anchor Pub.

27th of March - Spares Races

29th of March - Lightweight Races

30th of March - Openweight Races
