A7 Pre-application communications with prospective students.

We obtain this data from you.

To answer queries that you may have about starting at the College.

Successful applicants who enrol:

- for 6 years after the end of the academic year when you cease to be a registered student.

- for 12 months after the last date when you could have enrolled.

Processing is necessary in order to take steps at your request prior to entering a contract.

We generate this data about you.

- for the purposes of our legitimate interests, except where overridden by your data protection rights and freedoms.

The College has a legitimate interest in receiving and responding to a range of queries from prospective students.

N/A N/A N/A N/A

A8 Whether to invite applicants for interview, including consideration of contextual admissions data (relating to information about your school performance, postcode and care background, and eligibility for Free School Meals since age 11), test scores and marks for written work that we have requested. We will also hold copies of the tests and written work that you submit.

We obtain this data from the University of Oxford.

We generate this data about you.

- for the purposes of our legitimate interests, except where overridden by your data protection rights and freedoms.

The College has a legitimate interest in using appropriate data about academic performance, and to take account of the context of academic achievement in order to decide who to invite for interview.

A9 We may assist students making visa applications before they arrive, and making visa extensions when they are on the course. This involves us taking copies of passports and visas, which we store electronically and share with the University so that it has records of students’ entitlement to study. We also provide the University with students’ name, date of birth, passport number, course, fee paid & due for it and details of visa application.

We obtain this data from you.

Overseas students need visas in order to attend university.

Successful applicants who enrol:

- for 6 years after the end of the academic year when you cease to be a registered student.

- for 12 months after the last date when you could have enrolled.

Processing is necessary for performance of our contract with you; compliance with a legal obligation.
