Welcome to Worcester!

This handbook contains important information about studying at Worcester and the College community. You can find the answer to most questions somewhere in the handbook (as well as an invaluable [glossary](#) of Oxford terms) – and if you can't find what you're looking for, the [Quick Guide to Who, What and Where](#) section will help point you to someone who can help. While all the information is included in the drop-downs below, the handbook is also available to view and download as a pdf. We recommend you bookmark this page so you can easily find and refer to it if you have any queries.

The handbook is produced with the approval of the Governing Body of the College, subject to the understanding that it may be necessary to make changes to it at any time. Every effort has been made to ensure that this document is accurate at the time of publishing, but the College cannot guarantee its complete accuracy. This handbook does not form part of any contract, and no liability will be accepted in respect of reliance placed on any statement made in it.

COLLEGE HISTORY AND MAPS

READ MORE ABOUT THE
HISTORY OF WORCESTER
COLLEGE

VIEW AND DOWNLOAD
COLLEGE MAPS

WHO'S WHO

A full list of the College Fellows and lecturers, which can be filtered by subject, is on the College website (www.worc.ox.ac.uk/about/our-people). In addition, you can find further details on our [People and Departments](#) page of the intranet.

GOVERNING BODY

The Governing Body, made up of the Provost and Fellows, is responsible for the academic, domestic and financial administration of the College. Students should, for most purposes, approach the Governing Body through their tutors (whether Fellows or lecturers), or through the MCR or JCR Presidents. A full list of Governing Body members can be found in the '[our people](#)' section of the College website.

COLLEGE OFFICERS

College Officers are members of staff who are delegated responsibility from the Governing Body for the day-to-day administration of the College. They work closely with the Provost to ensure the smooth running of the College: [Read more about College Officers](#).

ADMINISTRATIVE AND DOMESTIC STAFF

If you have any questions or need to get in contact with any of our administrative and domestic staff, you can find their contact details in the '[our people](#)' section of the College website. You can filter by department to find who you need to talk to quickly.

TERM DATES

TERM DATES FOR ACADEMIC YEAR 2025-26

Michaelmas Term Sunday 12 October to Saturday 6 December

Hilary Term Sunday 18 January to Saturday 14 March

Trinity Term Sunday 26 April to Saturday 20 June

Undergraduates arrive in 0th week ('noughth week'), i.e. the week before Full Term starts. The College's academic sessions begin each term on the Thursday before the start of the University Full Term (which begins the following Sunday) and end on the Saturday of the eighth week of each University Full Term. Special arrangements apply for first year students, who are invited to take part in events before the start of their first term known as 'Freshers Week'.

Graduates are resident for most of the calendar year and sometimes meet their supervisors outside term, but most lectures and classes take place during the three 8-week terms.

TERM DATES FOR ACADEMIC YEAR 2026-27

Michaelmas Term Sunday 11 October to Saturday 5 December

Hilary Term Sunday 17 January to Saturday 13 March

Trinity Term Sunday 25 April to Saturday 19 June

Please note that course dates in some subjects may differ in some years and that some University examinations may be timetabled to take place outside the standard term dates.

You can also view the term dates on the University's website here, which also include the extended term dates for: Part II candidates in Chemistry, and in Molecular and Cellular Biochemistry, for Part II candidates in Materials Science, for the Clinical course for the Second BM, the Postgraduate Certificate in Education, and for MBA and MPP candidates: www.ox.ac.uk/about/facts-and-figures/dates-of-term.

1. ACADEMIC INFORMATION FOR ALL STUDENTS

1.1 ANNUAL REGISTRATION

All students must register with the University at the start of each academic year via the Student Self-Service: www.ox.ac.uk/students. You will be sent an email when the registration period opens.

When you login to the Student Self-Service you will need to check your personal, contact, academic and other information. We encourage you to do this as early as

possible each year as registering late can lead to delays in your access to important University services and receiving your student loans.

Registration is required for students to:

- Attend the course (programme of study)
- Use their University email account
- Obtain their University Card and keep the University Card valid
- Be eligible to take University examinations and gain access to their results
- Print a certificate of enrolment
- Release their student loan from the UK Student Loans Company or their sponsor/awarding body (where appropriate)
- Ensure that they are exempt from paying Council tax.

ACCESS THE STUDENT SELF-SERVICE HERE

1.2 CONTACT DETAILS

Throughout your time here, you should ensure that you keep your personal details updated on the University's student system, 'Student Self-Service': <https://www.ox.ac.uk/students>.

UPDATE YOUR CONTACT DETAILS HERE

1.3 ACADEMIC DRESS

Sub Fusc (see Glossary) is worn at various times, including: matriculation, exams and degree ceremonies. Gowns with appropriate dress must be worn for Formal Hall and Sunday Evensong in Chapel.

Generally speaking, undergraduates wear the 'commoners' gown,' graduates wear the 'advanced student gown,' (or the gown and hood of their previous Oxford degree, if relevant) and all holders of scholarships or exhibitions wear the 'scholars' gown'. If you are unsure about what type of gown you should wear, please refer to the University website: <http://www.ox.ac.uk/students/academic/dress> or speak to the [Academic Office](#).

Visiting Students should wear a commoner's gown, but not full sub fusc.

Students are required to wear their preferred 'subfusc' from the following list with their academic gown and mortar board/soft cap:

- One of
 1. Plain dark suit with dark socks, or
 2. Plain dark skirt with black tights, or
 3. Plain dark trousers with dark socks
- Plain dark coat if required
- Black shoes with black soles
- Plain white collared shirt or blouse
- White bow tie, black bow tie, black full-length tie, or black ribbon

Academic dress suppliers:

- [Ede & Ravenscroft](#)

- [Shepherd & Woodward](#)
- [Walters of Oxford](#)

Please note that other suppliers also meet the academic dress standards. Academic dress can also often be bought second-hand at a cheaper rate, and there are events held for this purpose by the [Oxford Students' Union](#).

Social events at Oxford are of all different kinds, from very relaxed and informal to events that have dress codes (including black or white tie) - it is entirely up to you whether you choose to attend these events. Academic dress is not required for non-academic events, though more formal social events may stipulate a dress code.

1.4 CHECKING EMAILS AND PIGEONHOLES

Students must check their College email account at least once per day during term time. Emails from tutors, College Officers and College staff should be read and acted upon promptly. Undergraduate students should check their pigeonhole daily, and postgraduates should check weekly. No cash, valuables, drink or food should be left in the pigeonholes. All student pigeonholes are located in S/C 15 and the post room is accessible with your Bod Card.

1.5 REPRODUCTION OF COPYRIGHT MATERIALS (PHOTOCOPIES AND DOWNLOADS)

When preparing for tutorials or writing essays, you may wish to photocopy extracts from certain copyright material, and there are some rules you should follow when doing this. The College benefits from a Collective Licensing Agreement for its photocopies, permitting, within limits, the copying of extracts from certain copyright material.

The guidelines for photocopying are displayed next to each photocopying machine in College and these must be followed by those using the College photocopiers. There are some excluded categories, and these are also listed in the guidelines. The permission of the owners or licensees of the copyright material must be obtained before any reproduction is undertaken of material that is subject to copyright and that is excluded from the collective licence. In any case of uncertainty, advice should be sought from the Library team, library@worc.ox.ac.uk.

College computing facilities, including private computers or devices attached to the College network, may not be used for the unauthorised downloading or distribution of copyright material (including, but not limited to, images, music and films). You should familiarise yourself with the full IT Regulations, which can be found here: <https://governance.admin.ox.ac.uk/legislation/it-regulations-1-of-2002> .

1.6 PLAGIARISM

Plagiarism is presenting someone else's work or ideas as your own, with or without their consent, by incorporating it into your work without full acknowledgement. Plagiarism may be intentional or reckless, or unintentional. Intentional plagiarism may take the form of unacknowledged quotation or substantial paraphrase, from electronic or printed publication, or from unpublished materials (including essays and theses) written by others, including other and former students. This constitutes literary theft.

Plagiarism can also come about by the use of material appropriated from another source or sources with the effect of passing it off as one's own work: that is, as the outcome of careless presentation, as a result of which extensive quoted material or close paraphrase are included without acknowledgement. This constitutes 'reckless' plagiarism. Under the regulations for examinations, intentional or reckless plagiarism is a disciplinary offence: marks may be deducted from examinations, and the most extreme sanction includes disqualification from the examination.

Plagiarism does not describe the general assimilation of the substance of other people's ideas into one's own thoughts, without which academic discussion could not take place.

Further information about plagiarism and the sanctions that can be taken by the University in cases of suspected plagiarism is available at www.ox.ac.uk/students/academic/guidance/skills/plagiarism .

USEFUL WEBLINKS

- Comprehensive guidance from Princeton University: www.princeton.edu/pr/pub/integrity/pages/intro/index.htm
- A tutorial and self-test from Indiana University School of Education: <https://tedfrick.sitehost.iu.edu/plagiarism/>
- The University runs free WISER workshops on Information Skills and Electronic Research: <http://libguides.bodleian.ox.ac.uk/workshops>

1.7 EMPLOYMENT

Before committing to any significant employment during term time, all students must consult their subject tutors (for undergraduates) or their supervisors (for postgraduates) to discuss the possible impact on their academic studies. During the vacation, students do not need to check with their subject tutors or supervisors before taking up employment opportunities, on the condition that their academic work is completed satisfactorily. Postgraduates especially should note that the University has guidelines for undertaking paid work: <https://academic.admin.ox.ac.uk/policies/paid-work-guidelines-graduate-students>

Students are reminded that financial support is available from the College, and students are encouraged to apply. (See section 6 (UGs) or 7 (PGs)).

If you are interested in carrying out some casual work around your studies, please contact the Human Resources Department for details on what is available here at Worcester College, and what checks are required (including Right to Work checks).

1.8 DEGREE DAYS

Once students have successfully completed their course, they are entitled to attend a degree ceremony at which their degree will be formally conferred. Following the formal conferral, a degree certificate will be issued.

Undergraduates will normally receive an email invitation from the University in the Michaelmas Term of their final year with information about booking a degree ceremony.

Graduates on a taught course (such as the Master of Studies) will normally receive an email invitation from the University early in their final year (first year for those on a one-year course) with information about booking a degree ceremony. Graduate research students will normally receive an email invitation from the University once they have been 'granted leave to supplicate' (the term used to indicate that students have fulfilled the academic requirements of their research degree). They can then book to have their degree conferred at a degree ceremony.

All outstanding fees and battels must be paid and all books borrowed from a College or University library must be returned. Graduate students who have submitted a thesis as part of their examination (e.g. DPhil, MLitt or MSc), cannot have their degree conferred until they have submitted a digital copy of their thesis at the Oxford Research Archive.

More information can be found on the [Degree Days page](#).

1.9 ENROLMENT CERTIFICATES, TRANSCRIPTS AND REFERENCES

ENROLMENT CERTIFICATE

If you need a certificate of attendance or proof of student status, your Enrolment Certificate can be downloaded from Student Self-Service (<https://www.ox.ac.uk/students/selfservice>). This will often be sufficient for your purposes, but if it is not then please contact the [Academic Office](#) and they will offer assistance.

REFERENCES

Only tutors can supply academic or personal references. Accommodation or tenancy references should be obtained from the Accommodation team.

TRANSCRIPTS

The University issues transcripts for most students who commenced their studies in, or after, Michaelmas Term 2007. Further information can be found on the following webpage: www.ox.ac.uk/students/graduation/transcripts.

Students on the Visiting Student Programme (JYA) should contact the Tutorial Administrator (elizabeth.smith@worc.ox.ac.uk) if they require a transcript.

If you need any other documentation regarding enrolment, contact the Academic Office (academic.enquiries@worc.ox.ac.uk) (for UGs) or Graduate Office (graduate.enquiries@worc.ox.ac.uk) (for PGs) at least two working days before the documentation is needed.

2. ACADEMIC INFORMATION FOR UNDERGRADUATES

2.1 UNDERGRADUATE RESIDENCE IN OXFORD – NECESSARY REQUIREMENTS

In order to qualify for a degree it is a University requirement that Junior Members spend a minimum of 42 nights per term in Oxford (within 6 miles of Carfax for undergraduates). Carfax is the crossroads at the intersection of High Street, St Aldate's and Cornmarket.

The College requires all Junior Members to be in residence by 2pm on the Thursday of 0th week (for first years this is brought forward to the Tuesday of 0th week of their first term) and to remain in residence until the end of Full Term (Saturday of 8th week). Permission to arrive later or to leave earlier must be sought from the Senior Tutor through subject tutors. Students returning to Oxford earlier than Sunday of 0th week at the start of any term will be charged a nightly rate for that accommodation.

ABSENCE FROM COLLEGE

The system on which Oxford is organised assumes that undergraduates will be present throughout the eight weeks of term and the two or three days before the beginning of Full Term. Undergraduates are not encouraged to leave Oxford during term, though College recognises that it may sometimes be necessary for them to spend one or more nights away. Please inform the Academic Office and a tutor in your subject, and hand your keys in to the Lodge if you are away.

JURY SERVICE

Undergraduates who are called for Jury Service in Oxford or in their home town during term time should ask for it to be moved to a more convenient time. They should inform the Assistant Academic Administrator (Emma Standhaft), who will write a letter on their behalf.

2.2 TUTORIALS

Undergraduate students will have at least one tutorial per week during term-time; these are a core part of your studies. Attendance at tutorials is compulsory for all undergraduates, and it is important that you take the time to research and prepare for them. Your tutor is there to monitor your progress, provide support and feedback, and to help you achieve your full potential. Students are expected to attend all classes (whether organised by the College or the relevant department/faculty) prescribed by their tutors. If illness or an emergency prevents you from attending a tutorial, you must contact your tutor as soon as possible. Alteration of tutorial arrangements is at the tutor's discretion.

If a student misses one or more tutorial or class in one term without good cause, the College's Academic Disciplinary Procedures may be implemented (see section 2.8).

2.3 WHAT TO EXPECT FROM YOUR TUTOR

Tutors will arrange meetings with students at the start of each term to discuss upcoming academic work. You may have many tutors in your subject(s). You will meet with your tutors during tutorials, and at the end of term to discuss your progress. If you have any concerns about your academic work, please discuss them with the relevant tutor.

2.4 COURSES AND EXAMINATIONS

Courses and examinations are described in detail in the Examination Regulations. The current version is available on the web at <https://examregs.admin.ox.ac.uk/>.

Candidates for an undergraduate degree must pass two 'public' examinations, the first being the Preliminary Examination or Moderations, and the second the Final Examination of the Honour School ('Finals'), which is classified into first, second (divided into two) and third class, independently of performance in the First Public Examination. For some courses, in particular those accredited at Masters level, the Final Examination often consists of two or more parts, taken in the second or third term of the second, third and fourth years. A number of students also have 'public' examinations at the end of their second year.

All students are asked to read the relevant sections of the Examination Regulations and the University Student Handbook (www.ox.ac.uk/students/academic/student-handbook) concerning examinations. If students feel that their performance may be or has been affected by illness or personal circumstances, they can submit a mitigating circumstances notice to the examiners to let them know and to allow them to consider whether any adjustments should be made to affected papers or the overall outcome. Further guidance on the submission of mitigating circumstances notices to examiners (MCE) can be found on the University website at www.ox.ac.uk/students/academic/exams/problems-completing-your-assessment. Students can contact the Academic Administrator for further advice on the submission of an MCE if required.

If you require accommodation adjustments or alternative arrangements for your examinations because of a disability or medical condition, you will need to request these by the Friday of 4th week in the term before you do your exams. We encourage you to get in touch with the Head of Student Welfare about this in advance of your examinations, so that they can support you in this process. Further information about exam arrangements is available on the University's website at www.ox.ac.uk/students/academic/exams/arrangements.

As stated in that information, in accordance with the University policy, it will not be possible to fulfil any exam adjustment request submitted within the five working days prior to your exams starting, but exam adjustments will be granted for any exams taking place five working days after the application has been submitted. This includes adjustments to mode of completion and for late diagnosis of conditions, such as an SpLD.

2.5 ACADEMIC WORK

Undergraduate teaching is carried out in tutorials (which may be held singly, in pairs, or in small groups), combined with lectures and classes organised by the University. The College will nominate a subject tutor (called the student's 'Course Advisor') to

take overall responsibility for each individual's academic progress. You are welcome to get in touch with your Course Advisor at any time if you have a question about your course.

Students are expected to do their best in their academic studies, to attend all academic appointments, and to produce written work in accordance with the deadlines they are set by their tutors. Attendance at tutorials, classes and collections is compulsory. If they are unable to attend a tutorial or other academic appointment, undergraduates should make every effort to notify the tutor concerned as soon as possible. Continued membership of the College is conditional on students fulfilling their academic obligations. Students are also expected to attend all lectures and classes recommended by their tutors or for which they have enrolled. Students who are unsure at any point what their academic obligations are should discuss this with a tutor in their subject.

The Learning Development Officer provides academic support to undergraduate students across all degree disciplines. Students can participate in group sessions each term, with topics ranging from time management, essay-writing technique and making the most out of tutorials, to research methods and revision techniques. Students can also contact the Learning Development Officer directly at george.webster@worc.ox.ac.uk to arrange one to one meetings and further learning support.

2.6 MONITORING

Weekly tutorials provide tutors with the opportunity to give ongoing feedback to students, and students also sit termly examinations in College known as '0th week collections', which may be set on the Thursday, Friday, or Saturday of 0th week (though not in an undergraduate's first term). Tutors will inform their students if they are required to sit collections. Confirmation of the time and place should also be communicated directly to students by their tutors. These examinations are normally set on the previous term's work or may cover specified vacation work. They are not formal University examinations, and provide valuable examination practice that is an important opportunity for students to get a sense of their own progress. As with all University examinations, students must display their University Card on their desk during in-person collections.

When providing feedback about collection performance, tutors should explain how papers have been marked (i.e., according to the standard at Finals or according to the standard expected of students at that stage of their study). If in any doubt, undergraduates should seek clarification from the relevant member of academic staff. Good performance and evidence of excellent progress may be rewarded with prizes – and inadequate performance, failure to attend or poor conduct during a collection will be taken seriously. Any undergraduate who is uncertain about the subject or subjects of their collections should consult their tutors before leaving for the vacation. The College is aware that students may have other calls on their time and responsibilities during the vacation periods, but students should expect to spend some of their time revising and preparing academic work.

In Michaelmas and Hilary term 'Provost's Collections' are held, which provide an opportunity for graduates to discuss their work and experience of Oxford with the Provost and Tutor for Graduates, and to raise any concerns they may have. Meetings

with the Provost and Senior Tutor will also be held for second year undergraduates in late Michaelmas Term. Undergraduates meet termly with their subject tutor/s to discuss the reports on their tutorial work. Undergraduates can also meet with the Provost in 'Provost's Meetings', which are between the student and the Provost and are led by the student. Students are encouraged to sign up for a meeting, but there is no obligation to do so.

The Senior Tutor convenes the Education Committee and Tutors' Group, which discuss issues that affect students and their academic work. The committees normally meet each term on the Wednesdays of 1st and 5th weeks (and of 7th week, if required), and in turn reports to the next Governing Body meeting.

Student assessment of their tutorials and other aspects of College teaching is carried out through a feedback questionnaire which students are encouraged to complete termly online.

2.7 PROBLEMS AFFECTING ACADEMIC WORK

In the event of a problem affecting academic work, students should seek support at the earliest opportunity. Students can seek advice on academic matters from their tutors or course advisors, and can also get help and support from the Welfare Team. Reasonable adjustments can be made by tutors, and the Head of Student Welfare can advise you on this. Where necessary, it is possible for a student to change their tutor or their tutorial partner following discussion with the Welfare Team and (where necessary) the Senior Tutor. If a student has a concern about a tutor or about the support that they have been provided they should discuss the matter with the Senior Tutor.

2.8 MAINTENANCE OF ACADEMIC STANDARDS

FAILURE OF FIRST PUBLIC EXAMINATIONS OR MAINTENANCE OF ACADEMIC DISCIPLINE

1) First Public Examinations

A candidate who fails to satisfy the examiners in their initial attempt at the First Public Examination is permitted to re-enter on one further occasion (in accordance with the regulations governing a re-sit in that subject), at the next possible occasion.

The Senior Tutor will write to any undergraduate who fails the First Public Examination at the first attempt. The letter will clarify the academic support offered in preparing for the resit, make clear the possible consequence of termination of the course in the event of a second failure and remind the recipient of the importance of disclosing any extenuating circumstances which may have affected performance in the First Public Examination.

A further letter will be sent in the event of failure of the First Public Examination at the second attempt to notify the student concerned that their course will be terminated.

An undergraduate will have the right to appeal against the outcome of an examination, following the University process for the handling of [Academic Appeals](#).

In the event of a failure at the second attempt and termination of course an undergraduate student may appeal to the Education Committee of the University if there is sufficient evidence that the second failure is as a result of exceptional circumstances.

2) Maintenance of Academic Standards

The College's first priority is to help its students achieve and maintain satisfactory academic performance, fulfilling their academic potential and completing their studies in a timely way. In the event of academic difficulties or a breach of academic discipline the College will attempt to employ the procedures set out in this document in a sympathetic and timely fashion, tailored to the student's particular circumstances in question so as to enable the student to return to satisfactory academic performance and conduct at the earliest opportunity. The College [Academic Discipline Policy](#) exists to enable the College to take appropriate measures in cases in which one of its junior members (students) is in breach of their academic obligations.

EXCEPTIONAL WORK

Outstanding academic achievement and exceptional work will in certain circumstances be recognised by the award of a College Scholarship or Exhibition. These awards can be made at any time by the Governing Body, but the majority of awards are made at the beginning of the second year and are renewed annually if the student's work remains of high standard. The current value of these awards is £200 p.a. for a Scholarship and £120 p.a. for an Exhibition. Scholarships and Exhibitions are credited to battels in instalments. Scholars and Exhibitioners are both entitled to wear Scholars' gowns.

College Prizes are awarded to Junior Members who achieve Firsts or Distinctions in Public Examinations. Prizes are also awarded for performance in Collections (College examinations) and for academic progress. The present value of the prizes is:

(i)	First in Final Honour School (for students who have not been scholars or exhibitioners) or BCL	£120
(ii)	Distinction in the oral examination in FHS Modern Languages and its joint schools	£30
(iii)	First in Honour Moderations (all subjects)	£70
(iv)	Distinction in a First Public Examination (including 1 st BM, both parts) and Supplementary Subjects	£60
(v)	Henriques Prize (for the best performance in the Final Honour Schools of Jurisprudence, Lit. Hum., Modern History or PPE)	£250
(vi)	Worcester College Society Prizes (for the best performance in Schools in an Arts subject not eligible for the Henriques Prize; for the best performance in Schools in Science)	£250
(vii)	Collection prizes; Progress prizes; prizes for outstanding practical work; prizes for outstanding academic excellence	£25

FEEDBACK

An invitation is circulated at the end of every term to complete an undergraduate Tutorial Feedback Form. Completing a form is optional, but your feedback is important to us and helps us to improve tutorial arrangements. Students are asked to complete

a separate survey in Trinity Term each year to provide feedback that will enable us to maintain and improve tutorial arrangements. The responses remain anonymous when they are passed to the Senior Tutor for review.

2.9 VACATIONS AND WORK

There are three main vacations: Christmas (end of Michaelmas term), Easter (end of Hilary term) and the 'Long Vac' (end of Trinity term). You should set aside time to study during all your vacations; your tutors will let you know what work you are expected to complete.

Vacation Grants are available to undergraduates who have to remain in Oxford for academic work during the vacation.

See section 6 for further details.

3. ACADEMIC INFORMATION FOR POSTGRADUATES

Academic life at Oxford is extremely varied. The diversity of the interests of graduate students is always fascinating, and the collegiate system means students from different disciplines have plenty of opportunity to interact. Although programmes vary widely, there are a few key members of staff and events at the core of your time as a graduate in Oxford.

3.1 POSTGRADUATE RESIDENCE IN OXFORD – NECESSARY REQUIREMENTS

Postgraduate students are normally required to live within 25 miles of Carfax. Details of the residence requirements are outlined in the University Student Handbook available at www.ox.ac.uk/students/academic/student-handbook. Permission from the University for exemption from this limit can be requested by the College, and further details can be provided by the Graduate Officer on request. Part-time students are exempt from the residence requirements.

The College does not encourage graduate students to go away from Oxford during term. It is, however, recognised that in exceptional circumstances it may be necessary for them to spend one or more nights away from Oxford. Please inform the Graduate Office and your College Advisor, and hand your keys in to the Lodge if you reside in college accommodation and are going away.

JURY SERVICE

Graduates who are called for Jury Service in Oxford or in their home town during term time should ask for it to be moved to a more convenient time. They should inform the Graduate Officer, who will write a letter on their behalf.

3.2 TUTOR FOR GRADUATES AND GRADUATE OFFICER

The Tutor for Graduates (Dr Robert Smith) is the person responsible to the Governing Body for the admission and academic progress of all graduate students.

The Graduate Officer (Sophie Clayton) works closely with the Tutor for Graduates in administering the admission and ongoing academic life of the graduate community. She is the first point of contact for all graduate queries (graduate.enquiries@worc.ox.ac.uk).

3.3 COLLEGE ADVISORS

Each graduate student at Worcester College is allocated a College Advisor who is a member of the College's academic staff. Your College Advisor is not expected to perform the role of your Department or Faculty Supervisor(s) and is not responsible for directing your academic work or for giving detailed academic guidance.

The role of the College Advisor is additional and complementary to that provided in the student's department or faculty and they may be able to:

- monitor your progress, by discussing your University supervision reports with you and by being available for consultation, either in person or by email
- discuss with you any problems or difficulties you may be experiencing in your Department or Faculty, and/or with your supervisor
- consult the Tutor for Graduates or Senior Tutor if there are concerns about your academic progress and if you appear to be experiencing difficulties with your academic work
- offer guidance on sources of support available within the College and University.

In addition your College Advisor may be able to offer you advice on academic-related matters such as: applications for research funding, conferences and seminar attendance, publication and career plans. College Advisors would not normally be expected to provide academic references, as others are better placed to do so. They might provide a reference for other purposes, such as applications for a Junior Deanship, or a character reference.

It may be necessary to change your College Advisor during periods of sabbatical or other academic leave. Should there be reasons for you to seek a change of Advisor, you should contact the Tutor for Graduates.

Graduate students should always respond to communications from their Advisor. They should also feel free to contact their College Advisors at other times, if required, and to consult other College staff/officers as necessary.

3.4 GRADUATE COLLECTIONS

All graduates are expected to attend a Graduate Collection once a year (PGCE students are not required to attend because their study programme makes this impractical). This is a meeting with the Provost and the Tutor for Graduates to discuss the graduate's work and progress. College Advisors do not normally attend, but are asked

to inform the Graduate Officer of any concerns that should be raised at the Collection. Graduate Collections are typically held during 6th and 7th weeks of Michaelmas and Hilary term and students are sent invitations as appropriate. The Graduate Collections timetable is circulated to all College Advisors for information.

3.5 SUPERVISORS

Students who are pursuing research degrees will work very closely with their University Supervisor. A good working relationship should be built, beginning early in the year. If graduates have any concerns about their Supervisor they should raise them immediately with their Department and the Tutor for Graduates (via the Graduate Officer). It is possible to change Supervisors under some circumstances. The frequency of meetings between a graduate and their Supervisor will depend on a number of factors, including the student's research goals and deadlines. A Supervisor is required by University Regulations to write a report on each graduate's progress once each term, and to discuss the report's contents with the student. Graduates are advised to arrange this meeting at the end of term, as a way of receiving feedback.

3.6 REVIEWING PROGRESS

The University Supervisor's report to the Department or Faculty is made available not only to the Faculty's Director of Graduate Studies/Head of Department, but also to the College. The Tutor for Graduates and/or the College Advisor will contact any student if they wish to discuss any of its contents, or raise any concerns.

3.7 GRADUATE PROGRESSION ('GSO') FORMS

Research students will, at various points, need to submit progression forms (for example: applications for transfer of status; confirmation of status; or appointment of examiners). These are generally submitted online via Student Self Service under the 'My Student Record' tab. Any hard copy forms that require the signature of the College's Tutor for Graduates should be sent to the Graduate Officer (graduate.enquiries@worc.ox.ac.uk).

3.8 UNIVERSITY STAFF

Most academic staff in the arts and humanities have their offices in colleges, rather than in University departments. The opposite is true for staff in the sciences. The level of contact students have with academic staff will depend on the nature of their course. In addition to seminars and more formal academic settings, many departments have a common room where students have the opportunity to chat informally with lecturers.

3.9 PROBLEMS AFFECTING ACADEMIC WORK

In the event of a problem affecting academic work, students should seek support at the earliest opportunity. Students can seek advice on academic matters from their tutors or course advisors, and can also get help and support from the Welfare Team. Reasonable adjustments can be made by tutors, and the Head of Welfare can advise you on this. Where necessary, it is possible for a student to change their tutor or their tutorial partner following discussion with the Welfare Team and (where necessary) the Tutor for Graduates. If a student has a concern about a tutor or about the support

that they have been provided they should discuss the matter with the Tutor for Graduates.

FITNESS TO STUDY

The College places great importance on the wellbeing of its students and appreciates the impact health can have on studies. A range of welfare support services are available to students, both within the College and the University. However, the College appreciates that occasionally students require additional support, and has a Policy to be used in circumstances where concerns arise about a student's fitness to study. [Read the College's Fitness to Study Policy here.](#)

3.10 COLLEGE PRIZES

Graduates who obtain a distinction in their final University examinations are normally awarded a College prize of £120. Graduate Entry Medicine students who obtain a distinction in a first public examination (including 1st BM, both parts) are normally awarded a College prize of £60.

4. UNIVERSITY EXAMINATIONS

Students whose degree programmes only include core assessment units will be automatically entered for the appropriate examination papers once registration is complete. Students will receive a confirmation of their examination entry.

Students whose degree programmes include core and optional assessment units will need to complete an on-line examination entry form for the optional units. Students will receive an automated email from the University at the appropriate time, advising them that the exam entry window has opened for their particular course. It remains the personal responsibility of students to ensure that their examination entry is submitted on time; late entry fees are imposed by the University.

The following notes are intended to be read in conjunction with the Examination Regulations of the University.

4.1 VIVA VOCE EXAMINATION

All candidates are required to attend for *viva voce*, an oral examination, if summoned. The University Proctors have ruled that the *viva voce* examination is an integral part of the examination. Candidates who are summoned to it by the examiners and who (in most subjects) do not attend are deemed to have withdrawn from the examination, unless they can, through their college, satisfy the Vice-Chancellor and Proctors that they have been prevented from attending by 'illness or other urgent and reasonable cause.' Students should check the Examination Regulations or their subject Handbook for information specific to their degree.

Undergraduates should inform the Academic Administrator and graduates should inform the Graduate Officer without delay if, for urgent and reasonable cause, they may not be available on the date set for their *viva voce* examination.

4.2 MEDICAL CERTIFICATES

Medical certificates issued in term time for whatever reason, e.g. withdrawal from examinations, requests for late submission of dissertations or theses, requests to take papers in College, medical certificates relating to the health of candidates immediately before or during an examination, etc. must be supplied by a registered doctor (to include a hand-written or electronic signature), preferably from the College surgery. Please consult the Academic Administrator (or Graduate Officer for graduates) or the Head of Student Welfare for advice if you are required to submit a medical certificate for any reason. (Medical evidence must meet the expected standard as specified on the following website: <https://academic.admin.ox.ac.uk/medical-evidences-and-certificates>)

4.3 IT PROBLEMS RELATING TO EXAMINATIONS AND SUBMISSION OF THESES

It is important that you take reasonable steps to save and back up your work. Requests for late submission of work submitted for assessment or dissertations are assessed by the University Proctors. Please be aware that the Proctors will not look sympathetically on requests for late submission of work submitted for assessment or dissertations in cases where computer data have been corrupted or stolen and back-up copies either not made or not kept separately. Similarly, the Proctors will not accept computer or printer breakdown as a legitimate reason for requesting extra time. It is therefore essential that all students make regular back-ups of work (preferably in different places) and allow plenty of time for printing work and, if applicable, binding.

4.4 STUDENTS WITH DISABILITIES

Where necessary the College can apply, on behalf of students with disabilities, to the Proctors for (a) alternative examinations arrangements to be put in place, and/or (b) for a student's disability to be taken into account by the Examiners. Applications should be made as soon as possible after matriculation, and advice about the procedure can be sought from the Head of Student Welfare (Georgie Heywood), the Disability Lead, and the Academic Administrator (Phillipa Tarver), or the University's Disability Advisory Service. Medical evidence is required for all requests for adjustments. Further information is also available in the University Student Handbook, which can be found at www.ox.ac.uk/students/academic/student-handbook.

4.5 RELIGIOUS FESTIVALS AND HOLIDAYS COINCIDING WITH EXAMINATIONS

The University makes special arrangements for students who wish to be dispensed from taking University examinations on religious holidays and festivals. Briefly, the arrangements are that the candidate takes the paper on the next available day. Students who wish to make use of these arrangements should contact the Academic Office as soon as possible after the start of Michaelmas Term and prior to 4th Week.

4.6 FIRST PUBLIC EXAMINATION

Undergraduates without Senior Status, (students with Senior Status are those studying for their second undergraduate degree) are required to pass the whole of the First Public Examination specified by the College within one calendar year after matriculation, except those taking Honour Moderations in Classics, who are expected to pass in two calendar years. An undergraduate who fails to satisfy these requirements will not normally be allowed to return into residence or continue with their course, or any other. A case that exceptional circumstances justify a departure from the normal practice of the College can, however, be made; normally the case must be made before the examination is taken.

Any student who fails to satisfy the whole of the First Public Examination at the first attempt will be entitled to re-enter for the First Public Examination on one further occasion (in accordance with the regulations governing the resit of that subject). The College will normally terminate the course of any student who fails the First Public Examination at the second attempt. A diagrammatic overview of the process is provided in section 11.10.

Any student whose course the College decides to terminate on the basis of having failed their First Public Examination may appeal using the College's standard appeals procedure given in section 11.10. The Senior Tutor and the student's subject tutor/s shall not be eligible for appointment to the Appeal panel, and written notice of the appeal, addressed to the Provost, must be made within fifteen working days of the student being informed of the result of their second (or subsequent) attempt to pass the whole of the First Public Examination.

4.7 UNDERGRADUATES – CHANGE OF SUBJECT

Applications to change Final Honour School are rare, considered on their merits, and must be made in good time so that an extension beyond the normal period of residence is not necessary. The College is reluctant to allow a change requiring an extra year's residence unless there are special circumstances. For this reason, applications to change subject will normally only be considered if they are made not later than the end of Trinity Term of the first year. If special circumstances exist, and an extra year's residence is required (e.g. the new Honour School is started from scratch), it is the normal expectation of the College that an undergraduate will take the First Public Examination in the new School, even if the First Public Examination in the former School has been taken and passed.

4.8 SECOND PUBLIC EXAMINATION

Unless special arrangements have been made as indicated above, undergraduates without Senior Status are required to take and pass final examinations after 9 or 12 terms from matriculation, whichever is the normal practice in their subject. Unless admitted on a different basis, those with Senior Status are expected to take and pass the examination in six terms (in the case of 3-year undergraduate degree programmes) or 9 terms (in the case of a 4-year undergraduate degree programme). In exceptional circumstances the College will consider an application to take the final examinations at a later date, but permission will be granted only if the application is made at a reasonable time and the College considers there are good academic or welfare

grounds to support it. The application will be sent to the relevant University Office for their consideration and approval.

If a student refuses to take final examinations at the appropriate time, or in the rare and unfortunate case of a failure in final examinations, an undergraduate does not necessarily have any right to remain a member of the College or to use its facilities. If a candidate who has refused to take final examinations chooses to take them in a subsequent year, then the College will decide in the light of particular circumstances what use, if any, may be made of College facilities in the interim.

The College practice is intended, first, to ensure that undergraduates maintain reasonable academic progress during their time here, and secondly, to enable the College to regulate the total number of undergraduates in residence. An extension of time granted to any undergraduate in residence may reduce the number of places available for first years in subsequent years. The College is of course prepared to consider applications involving extensions of time, but will always need to be convinced that there are exceptional circumstances justifying such extensions.

4.9 ILLEGIBLE SCRIPTS

If an examiner identifies a written examination script as illegible they may ask for it to be transcribed. The College will contact the student if their examination script/s has been identified as illegible. The College will make arrangements for the candidate to dictate the script to a typist in the presence of an invigilator. The costs of the typing and invigilation will be passed on to the student. If a student is concerned about their handwriting, they should contact their tutor to discuss ways to help to improve and practice their handwriting for exams.

5. WELFARE

We are committed to making Worcester a place where every member can thrive, whether they are a first-year navigating Michaelmas Term or a graduate student worried about tomorrow's viva exam. College has a broad range of welfare provision and there are several members of staff you can approach if you need welfare support. You can see the full range of welfare support available via the College website: www.worc.ox.ac.uk/college-life/welfare

The College's welfare provision is not intended to replace the emergency services in an emergency situation. Please see www.ox.ac.uk/students/help for contact details of emergency services.

It is possible to speak confidentially to the Welfare Team, who will not share information about you unless it is necessary for your safety or the safety of others for them to do so, or in a case where it would be unlawful for them not to disclose something to the relevant authority.

Important points to note:

- Within your first week of College residence, you must register with the College GP (unless you are registered with another GP Practice in Oxford).

- If you have a disability, you should register with the Disability Advisory Service (disability@admin.ox.ac.uk) as soon as possible to ensure you have appropriate support in place. Please contact the Head of Student Welfare and Disability Lead (Georgina Heywood, welfare@worc.ox.ac.uk) for help or advice on this process.
- Students with known medical conditions are invited to inform the College Nurse.

5.1 WHO TO SEE – IN COLLEGE

WELFARE TEAM

The Dean, currently Dr Paul Azzopardi, has overall responsibility for welfare and discipline in college. He can be contacted at dean@worc.ox.ac.uk or paul.azzopardi@psy.ox.ac.uk. Paul is supported by the Assistant Dean, Dr Neva Kandzija, and the Junior Deans.

Junior Deans are graduates living on-site who are on duty overnight and on weekends during full term. They can be contacted via the Porters' Lodge (01865 278300 / lodge@worc.ox.ac.uk). Junior Deans are trained in first aid, mental health first aid, peer support, sexual assault and crisis training, and are fire wardens. Our Junior Deans are Edward Jones, Charlie Kniebe-Evans, James Altunkaya, and Thomas Fernandez Debets.

HEAD OF STUDENT WELFARE

The Head of Student Welfare, Georgina Heywood, is available during office hours all year round to provide confidential support, advice, and guidance on all matters relating to your welfare. Georgie is also the Disability Lead and Disability Coordinator for Worcester College and can advise on all disability related matters and associated support. She is also the Safeguarding Lead and a Harassment Advisor in College. Georgie can be contacted at welfare@worc.ox.ac.uk and her office is Asa Briggs Room 4.

COLLEGE COUNSELLOR

The College Counsellor, Heather Phillips, can be contacted during full term for an appointment on counselling@worc.ox.ac.uk.

COLLEGE CHAPLAIN

The Chaplain, the Revd Marcus Green, is available to all members of College for conversation, guidance, or just a listening ear, regardless of their religious affiliation or experience. His email address is marcus.green@worc.ox.ac.uk, and his room is Asa Briggs 3.

JCR/MCR SUPPORT

The JCR and MCR have welfare representatives who you can approach with concerns or ideas for events that support welfare and wellbeing. The JCR also have a group of trained peer supporters who can meet privately with students and run 'T@3', a regular, relaxed social event for all students.

OTHERS & ONGOING SUPPORT

The first point of contact within College for all welfare-related matters is the Head of Student Welfare, Georgie, and College Nurse, Jo, during office hours or the Junior Deans (via the Lodge) out of hours during term time. However, Tutors, the Equalities Officer, the Senior Tutor and the Academic Administrator can all offer support, depending on need.

5.2 MEDICAL SUPPORT

COLLEGE NURSE

The College Nurse, Joanna Bowd, is available during term for consultation about any health matter. Jo's office is in Staircase 15.1; you can book an appointment with Jo using this

link: <https://outlook.office365.com/book/pmlnurseworcestercollege@nhs.onmicrosoft.com/> or you can contact Jo via email at pml.worcesternurse@nhs.net.

COLLEGE GP

The College is associated with the [Northgate Health Centre](#), 15 Market Street, Oxford, OX1 3EF. The College Doctors are Dr David McCartney and Dr Simon Clough. You can contact the surgery on (01865) 311811.

You must register with the practice in your first week of residence, unless you are already registered with another Oxford GP, in which case you must advise the Head of Student Welfare, Georgie Heywood.

DENTIST

There are many NHS dental practices within Oxford with which you can register. Oxford Brookes University also run a student dental practice; the fees for this practice are NHS and the service is tailored to students (i.e., it is predominantly for emergencies). For details, charges and services, please visit www.nhs.uk/services/dentist/studental-dental-care-oxford/V007823).

5.3 CONSIDERATIONS

ILL HEALTH

Contact the College Nurse, Joanna Bowd, if you are ill. She may be able to visit you in your room. The Nurse will plan, if necessary, for the Head of Student Welfare, Georgie Heywood, or the Junior Deans to support you (e.g., meal delivery, check-ins, informing tutors if required). On occasion, you may be required to return home to recover.

If your health has affected coursework or examinations, please discuss this with the Academic Administrator to apply for extensions or to submit a mitigating circumstances notice.

MENTAL HEALTH

If you are concerned about your own or a friend's mental health please contact any member of the welfare team, who will be able to advise or direct you to the appropriate support. The Head of Student Welfare, Georgie Heywood, is a good first

point of contact, but during term, several services also offer support overnight and at weekends e.g., Nightline, Junior Dean team, Emergency Services, and so on.

DISABILITY

Students with disabilities are advised to contact the Head of Student Welfare/College Disability Lead and Coordinator, Georgie Heywood, as soon as possible, and to register with the Disability Advisory Service. The college has a responsibility to make 'reasonable adjustments' to support disabled students, and these will be detailed in your Student Support Plan that the Disability Advisory Service will create in collaboration with you. Student Support Plans may need to be shared with Departments and Tutors (in Worcester College and other Colleges) to ensure reasonable adjustments for teaching can be provided. You may be entitled to additional funding through Disabled Student Allowance for equipment, travel, study support and other disability-related costs and the Disability Advisory Service will guide and support you through the process of accessing this funding.

1. Accommodation adjustments for students with disabilities
Priority accommodation allocation is undertaken for incoming students and current students with disabilities or medical conditions that require adjustments to their accommodation. Students should contact the Head of Student Welfare, Georgie Heywood, for information about how to request appropriate accommodation, including details on any supporting information that may be required. In these circumstances, students will be exempt from the usual allocation/balloting process. Applicants are strongly advised to contact the Head of Student Welfare to discuss any adjustments and support they may require as early as possible. Students with a disability may request to remain in the same room for the duration of their course if required.
2. Information sharing
Medical information shared with the College Disability Coordinator will be shared on a need-to-know basis with individuals in the Accommodation Office. Medical information shared with the University Disability Service will be shared and managed in accordance with the Disability Advisory Service's own policy. Information will only be shared with appropriate staff members and where necessary and relevant to the allocation of or adjustments made to a room. This information will be stored in accordance with the College's Data Protection policy.
3. Costs associated with disability-related accommodation
Sometimes, reasonable adjustments mean that a student is allocated a more expensive room than they might otherwise have occupied (for example, if a student requires an en-suite room as a reasonable adjustment). In these cases, the College will cover the additional cost, and the student will only be charged for the grade of room that they would otherwise have occupied. Students should discuss this with the Head of Student Welfare and Disability Lead (Georgie Heywood).

EXAMINATION ADJUSTMENTS

The college can apply to the Examination Schools, on behalf of students, for adjustments to examinations in the case of disabilities, medical conditions, or on religious grounds. All applications must be supported by medical evidence or a Student Support Plan from the Disability Service, and must be made in the term prior to the

term in which the examinations are to be taken, except for unexpected short-term medical conditions. Please contact the Head of Student Welfare, Georgie Heywood, if you need to request adjustments.

HARASSMENT

The College has a number of trained Harassment Advisers who you can contact for advice and support:

Georgie Heywood, Head of Student Welfare, can also support you. You can also contact the University Harassment team at harassment.line@admin.ox.ac.uk for advice. Please refer to the harassment policy for more information.

In the case of sexual assault, the appropriate staff member to contact is the Head of Student Welfare or a member of the Dean team for confidential support and advice. The team have first responder training to support you can accompany you to the local Sexual Assault Referral Centre if necessary.

The University of Oxford is committed to fostering a safe environment in which all students can thrive. Harassment and sexual misconduct in any form are not tolerated here. You can read more here: [Supporting Students at Oxford: Preventing and Responding to Harassment and Sexual Misconduct](#)

SUSPENSION

It is possible to take time away from your studies in certain circumstances, for example, to manage a medical condition. Please speak to a member of the welfare

team, academic office, your tutor or University supervisor (if you are a graduate) to discuss in the first instance. The policy on suspension for undergraduate students is published on the [Policies page](#) of the College's intranet. There is further information about suspension of status for graduate students on the University website at www.ox.ac.uk/students/academic/guidance/graduate/status.

VACATION SUPPORT

If you are staying in Oxford over the vacation, some welfare services are not available, or only available in a reduced capacity. In college, there is no Counsellor, Junior Dean, or Nurse cover during this time. However, the Head of Student Welfare and Academic Administrator will continue to be available, the central University Counselling Service and the Disability Advisory Service remain open, and the GP surgery can be contacted for any medical needs during this time. For welfare issues on site, please contact the Head of Student Welfare, Georgie Heywood (welfare@worc.ox.ac.uk) who will support you. In an emergency at any time of the day or night, contact the Porters' Lodge (01856 278300), who can escalate the issue to the appropriate service as required.

FINANCIAL SUPPORT

There are several types of financial support provided by the College. If you experience financial difficulties during your studies, you can apply for financial aid. A list of the sources of financial support available can be found on the College intranet (links below) and in Section 6 (for UG) or Section 7 (for PG) of the Handbook:

- [Financial Aid, Grants & Bursaries \(Undergraduates\)](#)
- [Financial Aid, Grants & Bursaries \(Graduates\)](#)

Financial support for estranged students and care leavers is also available, and you should contact the Student Welfare Office in the first instance to explore options.

MATERNITY, PATERNITY AND ADOPTION LEAVE

The College follows the University policy which differentiates parental leave from suspension for medical or disciplinary reasons. Full details are available here: www.ox.ac.uk/students/welfare/childcare.

PERSONAL SAFETY

The College – and Oxford more widely – is generally a safe place, but it is important to take sensible precautions. In particular, the College gate and other entrances will be closed at the end of the day and can be accessed using your University card. Please take care to shut doors behind you and do not admit anyone that you do not know. You must sign in any guests at the Lodge so the porters have a record of who is on site. Please inform the Porters' Lodge (01865 -278300) or the University Security services (01865 289999) if you see anyone on site who you do not know or who is acting suspiciously, or if you have any concerns about anything that you see on the site.

5.4 EDI

Our values

We aspire to be a College that balances tradition and innovation, is outward-turned and civic-minded. Our priorities are underpinned by a set of values which we will use to guide our work. These are:

- Excellence – Excellence in teaching and research are part of the fabric of Oxford University and at the core of everything that Worcester does. We strive for excellence in all that we do: in the care of our gardens and grounds, the quality of our facilities and food, and the standards by which everyone in College operates.
- Inspiration – Through our teaching and the values that underpin it, we inspire students with learning for life. Through our research, we generate ideas capable of shaping the world.
- Community – We believe that communities thrive when every member can fulfil their potential. Even as we embrace differences in perspective, opinion and ideas, we foster a sense of togetherness and belonging.
- Inclusivity – We listen respectfully, support each other with compassion, sincerity and generosity, and celebrate our differences. Widening participation is key to being inclusive. We want Worcester College to feel welcoming to every member and visitor.
- Trustworthiness – Trusting and rewarding relationships are rooted in reciprocity and generosity. As a forward-looking College, we aim to make sense of the past, present and future. Trust and transparency are essential in the way we reach decisions and implement them.

FIND OUT MORE ABOUT EQUALITY, DIVERSITY & INCLUSION AT WORCESTER

6. UNDERGRADUATE FINANCE

The points made in this section are an overview. For any queries about finance not covered in the handbook, please contact the Accounts Office by emailing finance@worc.ox.ac.uk.

6.1 FEES & CHARGES

UNIVERSITY TUITION FEES

At undergraduate level there are three classifications of students for the purposes of fees. These are Home, Islands, and Overseas. Classification depends on nationality and certain residence conditions, and the definitions used by the University are given in Appendix I of the Examination Regulations. If you are unsure of your classification more details are available at www.ox.ac.uk/students/fees-funding/fees/status.

a) Home

Home students' course fees are £9,535 in 2025/26. Course fees will usually increase annually. Republic of Ireland students who start on a programme of study in 2025/26 will be charged course fees at the Home rate for all years of their programme. For Home undergraduate students, course fees are currently subject to a governmental fee cap and will not increase above the level of the fee cap, which is subject to annual review. In deciding the annual level of increase, the University will take into account a range of factors, including rises in the costs of delivering the programme and changes in government funding. You can read further information on these annual increases on the University website at www.ox.ac.uk/students/fees-funding/fees-changes-fees-and-charges.

Home students completing their first degree are currently entitled to take out a governmental tuition fee loan up to the full value of the fees to be paid for the given academic year. Please see section 6.2 below for more information.

Before arrival, all Home students must submit to the college a copy of their Financial Notification from their funding body, showing the amount of the tuition fee loan that has been requested and any remaining amount which needs to be paid directly to Worcester College. Students usually submit this document to the Admissions Team along with their Financial Declaration Form. Undergraduates will not have to pay any element of the fees for which a tuition fee loan is to be paid, but will have to pay any remaining balance.

Details of fees, funding, grants and loans can be found on the University website at www.ox.ac.uk/students/fees-funding/search?wssl=1.

For students who are privately funded, the College permits payment of fees in two instalments. The first 50% would be due on your first Battels statement in Michaelmas Term and the balance on your Hilary Term statement. No application is necessary but it is very helpful if you can let us know if you wish to take up this option. Please note this applies to payment of fees only; all other charges must be paid in full when due.

b) Islands (Channel Islands and the Isle of Man)

For 2025/26 the course fees for students from the Channel Islands and the Isle of Man who are starting a course are £9,535. You can find information on annual fee increases on the University website at www.ox.ac.uk/students/fees-funding/fees-changes-fees-and-charges.

Contact your island's education department for more information on funding arrangements:

- States of Jersey
- Guernsey, Alderney and Sark
- Isle of Man

c) Overseas

International students pay course fees that differ according to the course they are enrolled on. Rates for the 2025/26 academic year can be found at www.ox.ac.uk/students/fees-funding/fees/rates.

Course fees will usually increase annually. In deciding the annual level of increase, the University will take into account a range of factors, including rises in the costs of

delivering the programme and changes in government funding. You can read further information on these annual increases on the University website at www.ox.ac.uk/students/fees-funding/fees/changes-fees-and-charges.

For Overseas students the College permits payment of course fees in two instalments. The first 50% would be due on your first Battels statement in Michaelmas Term and the balance on your Hilary term statement. No application is necessary but it is very helpful if you can let us know if you wish to take up this option. Please note this applies to payment of fees only and all other charges must be paid in full when due.

d) Deposit

All students are charged a deposit on arrival. The deposit is £600.00 for first year undergraduates commencing their degrees in 2025/26. The deposit is refunded by the end of September at the latest after completion of your course. Any outstanding battels or charges will be deducted. Final Battels will be sent out in late July.

e) Battels

College accounts are called battels. They are issued by email by Friday of 1st Week each term, and must be paid in full within two weeks of being issued. They are not offset against the deposit, except after completion of a degree.

Battels are charged up front at the start of each term and cover accommodation and utilities. Meals are paid for separately as taken.

If a student is unable to pay their battels by the due date they must contact the Finance Office (finance@worc.ox.ac.uk) prior to the battels being due. In some cases it may be possible for the College to provide a short extension, or for the student to seek support from the Financial Aid fund and the other funds available to students. Refusal to engage with the College about delayed payment of battels could result in exclusion from the College until payment is received.

The current accommodation rates are published on the College website at www.worc.ox.ac.uk/college-life/accommodation/undergraduates

Please note that charges for utilities are included in the rent payment.

6.2 STUDENT LOANS, BURSARIES, AND GRANTS

Most student funding comes from three different sources: Government funding (usually via a loan scheme), the University and the College. Mainstream government funding has two parts: loans for fees (for Home students) and loans for maintenance (Home students) or non-repayable maintenance grants (for some Home students). You must apply for every year of your course. It is your responsibility to ensure that you apply early and while on course we recommend no later than the Easter Vacation before the start of the next academic year. See the University website at www.ox.ac.uk/funding for further information.

TUITION FEE LOAN

Tuition fee loans are available to all Home students completing their first undergraduate degree (see also section 4.4). For Home students, requests for this loan

are made when applying for any income/non-income assessed maintenance loan/grant by applying online via the website for your region. The website addresses are:

- England: Student Finance England - www.gov.uk/student-finance
- Northern Ireland: Student Finance NI - www.studentfinancenir.co.uk
- Scotland: Student Awards Agency for Scotland (SAAS) - www.saas.gov.uk
- Wales: Student Finance Wales - www.studentfinancewales.co.uk

Students do not repay anything until after they graduate, and the date they start repayments will depend on their earnings.

MAINTENANCE LOANS

Maintenance loans are available to Home students and those with settled status who meet certain residency requirements. The maximum loan is dependent upon the undergraduate's regional funding body and their household income. All publicly funded Home students studying for their first degree are eligible for a percentage of this loan, regardless of their household income; the remainder is means-tested on the basis of household income.

The income thresholds determining the level of support differ by UK region. Students should consult their own region's website (see section above) for more information about these thresholds.

Once UK students have completed their University registration at the beginning of each academic year, their maintenance loan will be paid directly into their bank account. Payments are made in three instalments at the start of each term. In Michaelmas Term the money is normally paid after completion of both the University registration process and arrival at the College. This payment may take three to five working days and the exact payment dates will be noted on the financial notification.

NON-REPAYABLE FINANCIAL SUPPORT

Non-repayable government financial support is only available to publicly funded Home students from Northern Ireland, Scotland and Wales and requires financial assessment. Each region decides on its own maintenance grant amounts and household income thresholds relating to this. Students should consult their own region's website (see section above) for more information about the financial support available. Applications for the Student Loan are made through the relevant region's funding body.

a) Oxford University Bursaries

The Oxford Bursary scheme (www.ox.ac.uk/students/fees-funding/ug-funding/oxford-support) provides maintenance support for UK students and Republic of Ireland nationals (living in the UK or Ireland) from lower income households. If you are a new student commencing a first undergraduate degree, assessed as having a household income of £50,000 per year or less and are not eligible for, or do not take up, a Crankstart Scholarship, you are likely to be eligible for a bursary at the levels below.

Students from the EU, EEA and Switzerland who have been granted pre-settled or settled status may also be eligible for an Oxford Bursary if they meet the residency requirements.

Household income	Annual Bursary
£25,000 of less	£4,120
£25,001 - £32,500	£3,610
£32,501 - £37,500	£3,090
£37,501 - £42,875	£2,060
£42,876 - £50,000	£1,030

For further details about eligibility and rates see: www.ox.ac.uk/funding.

There is no separate application process for the Oxford Bursary or Crankstart Scholarship as these are based on the household income assessment carried out by your regional funding agency. You just need to ensure both you and those who you live with are financially assessed when you apply for UK government funding.

If you are eligible for an Oxford Bursary or Crankstart Scholarship and are starting your course in 2025, you will be notified of your entitlement from mid to late September 2025. You must have your financial assessment completed by May 2026 to be considered.

b) Scholarships

There are also a number of scholarships available at the University. Further information can be found on the University website at www.ox.ac.uk/funding.

c) Equal Access to Learning Fund

With the generous support of the Dorset Trust, the College has recently established a fund for material access to learning. This includes the purchase of items such as laptops and books and for tuition and technological support while away from College. All students, both undergraduate and postgraduate, as well as offer-holders, can apply for the fund on a means-tested basis.

Details may be sought by emailing the Learning Development Officer, [George Webster](#).

d) Vacation Grants

Grants are available for undergraduates who need to be in Oxford during the vacation to do academic work which could not easily be done at home. Applications must be supported by a tutor. Forms are available from the [College intranet](#) and must be submitted to the Academic Office by Friday of the 5th week of term. Undergraduates who have University examinations outside term will automatically have a grant credited to their battels; grants are not available in respect of examinations which are retaken in consequence of a previous failure.

e) Travel Grants

Grants are available for vacation travel and for academic work outside Oxford. Final year students are not eligible for grants for trips to be taken in the long vacation after completion of their degree. Applications must be supported by a tutor. The Committee that considers applications will prioritise the support of travel for academic and academic-related purposes. Forms are available from the [College intranet](#) and must be submitted to the Academic Office by Friday of the 4th week of the term preceding the relevant vacation.

f) Grants for compulsory field courses

Undergraduates studying subjects involving field courses may be eligible to apply to the College for a grant towards the cost. The relevant application form is available from the [College intranet](#).

g) Book Bursaries

The College offers book bursaries of up to £100 in total for undergraduate students reading for an undergraduate degree. They are intended for those whose financial circumstances are such that they cannot easily afford books which are necessary for their academic work. Application forms are available from the [College intranet](#), and must be countersigned by the applicant's College Tutor. Completed forms, with receipts attached, must be submitted to the Accounts Office: reimbursement will be credited on battels.

h) Oxford Blue Grant

The College offers a grant of £50 per year to any student who has been awarded an Oxford sporting Blue or £25 for a half blue. Application forms are available from the Finance Office (finance@worc.ox.ac.uk) or your JCR/MCR Sports Rep. Forms should be returned to your Sports Rep for collecting and forwarding to Accounts. Grants will be credited to battels.

i) Ogilvie Thompson Scholarship for graduate study

Final year undergraduates and those who have graduated within the previous two years but have not undertaken any graduate work since (either in Oxford or at another University), are eligible to apply for an Ogilvie Thompson Scholarship to assist with the costs of graduate study at the College. The Scholarship is awarded not only on the basis of the candidates' academic achievements and promise, but also their contribution, whilst undergraduates, to the College community (for example by service on the JCR Committee or by participation in the artistic, musical, social, spiritual, sporting, or theatrical life of the College). The Scholarship is open to all subjects, and in the first instance will be awarded for the duration of one year.

The Ogilvie Thompson Scholarship will pay, in whole or in part (up to a maximum of £10,000), the University and College fees of the recipient. Applicants are also expected to apply for full funding from the appropriate funding body. Applications should comprise an up-to-date Curriculum Vitae, a short account of the candidate's proposed research project, and the names of two academic referees who should be asked to send references directly to the College's Graduate Officer: formal interviews are not held. The Ogilvie Thompson Scholarship is advertised each academic year on the [College website](#).

6.3 FINANCIAL DIFFICULTY

Students who find themselves in difficulties with money should be aware that there are some further sources of funding available apart from the student loan. It is always a worry for those having financial problems, but the College is keen to ensure, in so far as it can, that students' academic work is not adversely affected by financial hardship. Students should feel free to consult, in confidence, the Financial Aid Officer, who will be happy to provide advice about how the College can assist in alleviating financial difficulties.

Further details about student financial aid can also be found on the intranet by following the link below. An online form is available there to be used to explain the situation and level of need. This will be returned to the Financial Aid Officer. All material provided is treated as confidential, and is shared only on a need-to-know basis.

CLICK HERE FOR INFORMATION ON UNDERGRADUATE FINANCIAL AID, GRANTS & BURSARIES

SHORT-TERM HELP

If your needs are short-term, then the College may be able to help you by offering a temporary freeze on your battels to allow you to take meals in Hall without immediate charge; or we will offer you supermarket vouchers to enable you to provide for yourself. This is a loan in kind, usually up to the value of £300, to be repaid by the start of the following term.

CRISIS/LONG-TERM NEEDS

If you have a more serious situation, then you should consider applying for direct support from the University and College schemes available. Do note that these funds are more limited than we would like, and should not be counted on as a means to fund your studies: they are there to help in crisis or chronic situations. The maximum amount usually awarded as a grant under each scheme is £2,500. It is possible to receive grants from more than one scheme; and it is possible to apply more than once to each scheme.

The University also offers financial assistance schemes to assist students who are experiencing financial difficulties during their course. The level of support available and students' eligibility for assistance vary based on individual circumstances. More information can be found here: www.ox.ac.uk/students/fees-funding/assistance/oxford

COLLEGE FINANCIAL AID

The College has a Financial Aid Fund to which all Worcester students may apply for support. The one condition is that if you are eligible for support from the University schemes, we ask that you apply for these: we then treat your application as an application also to the College.

Applications are considered by the Financial Aid Committee. This consists of the Senior Tutor, the College Financial Aid Officer, the Tutor for Graduates, and two other Fellows. Further information is available on the [Undergraduate Finance page](#).

7. POSTGRADUATE FINANCE

The points made in this section are an overview. For any queries about finance not covered in the Handbook, please contact the Accounts Office by emailing finance@worc.ox.ac.uk.

7.1 FEES, GRANTS, BURSARIES, AND SCHOLARSHIPS

FEES

The University Tuition fee varies according to a student's programme of study and their classification for fee purposes (e.g. "Home" or "Overseas"). Fee rates for full-time graduate students can be found at: www.ox.ac.uk/students/fees-funding/fees/rates.

Home students who are funding their studies with a graduate loan from student finance are entitled to pay their fees in line with the student loan payments. To request this arrangement, you should send an email with a copy of your loan confirmation to finance@worc.ox.ac.uk before the start of term. This should clearly show the payment dates and amounts.

Course Fees are payable annually in advance in Michaelmas Term. For students who are privately funded, the College permits payment of fees in two instalments. The first 50% would be due on your first Battels statement in Michaelmas Term and the balance on your Hilary Term statement. No application is necessary but it is very helpful if you can let us know if you wish to take up this option before the middle of October. Please note this applies to payment of fees only and all other charges must be paid.

Approved tuition fees are claimed by, and paid directly to, the College in respect of those who have AHRC, Research Council, or Local Authority (LA) awards. In the absence of a specific written commitment by a fee-paying authority to meet the cost of tuition fees as they become due, the College holds students themselves responsible for payment of their fees.

Course fees for graduates are paid from admission to completion of the course being studied. Most students undertaking only a DPhil are liable for nine terms of fees in total. Students undertaking a DPhil within one of the Doctoral Training Centres are liable for 12 terms of fees in total. Students starting a DPhil after a one-year taught graduate course (e.g. an MSt, MSc) become liable for a further 9 terms of fees (i.e. are liable for 12 terms of fees in total). Students starting a DPhil after a two-year taught graduate course become liable for a further 6 terms of fees (i.e. are liable for 12 terms of fees in total). Students transferring from one course to another (e.g. MSt to DPhil) will be required to satisfy the College that they have sufficient funding for the further course of study.

Candidates reading for taught courses and clinical medicine pay course fees for the duration of the course. Information about the various lengths of time for which fees are payable can be found at www.ox.ac.uk/students/fees-funding/fees/liability.

The University applies a continuation charge for graduates starting research study from 2011 onwards, once they have exceeded the standard period of course fee liability. The University continuation charge is £632 per term in 2025-26. The same rate will apply to all students, regardless of fee status (Home or Overseas) and will be reviewed on an annual basis. Bursary schemes may be available to which students may apply for support towards these charges. Further information is available from your Department/Faculty.

A college continuation charge (£145 per term in 2025-26) is payable by registered DPhil students who started from 2011 onwards and have completed four years (12 terms) of DPhil study or five years (15 terms) of DPhil study for students undertaking a DPhil within one of the Doctoral Training Centres. The continuation charge is not payable between thesis submission and viva.

DEPOSIT

The deposit should be paid prior to arrival. The College requires payment of a deposit; information will have been e-mailed to you previously as part of the admissions administration. The deposit is £935 for graduates living in College single accommodation and £150 for graduates living in privately-owned or rented accommodation. Students living in the College's graduate flats are required to pay a deposit of £1,300. It is important to note that non-advance payment of this deposit will result in a significant delay in students' registration and restriction of access to IT facilities. University Cards will be withheld until the deposit is received.

The deposit is normally refunded in the end of September following completion of a course. Any outstanding battels or charges will be deducted from it and the final credit balance then refunded directly to your bank account. Please check accommodation licence for details about withholding of deposits.

BATTELS

College accounts are called battels. Graduate charges are issued monthly and must be paid in full within two weeks of being issued. They are not offset against the deposit, except after completion of a degree.

Battels include rent (for those students living in college accommodation), variable costs (e.g. the cost of printing), but not the cost of meals taken in College.

If a student is unable to pay their battels by the due date they must contact the Accounts Office prior to the battels being due. If students fail to pay on time and do not make arrangements to defer, this could result in exclusion from the College (rustication) until payment is received. The College may not authorise various Graduate Studies forms (e.g. for Transfer of Status, Appointment of Examiners) for students who have outstanding debts to the College, until such debts are cleared.

THIRD-YEAR CLINICAL STUDENTS: GRANTS FOR ELECTIVES

The College makes grants from its Nuffield Fund towards the cost of the elective period. Application forms are available from the College website, or the Graduate Officer.

OXFORD BLUE GRANT

The College offers a grant of £50 per year to any student who has been awarded an Oxford sporting Blue or £25 for a half blue. Application forms are available from the

Finance Office (finance@worc.ox.ac.uk) or your JCR/MCR Sports Rep. Forms should be returned to your Sports Rep for collecting and forwarding to Accounts. Grants will be credited to battels.

RESEARCH FUNDING

There are several sources of funding to help meet research costs including conference attendance, and the purchase of specialised equipment:

Supporting Organisation: Research that is essential to a student's course of study should be funded by their funding organisation (e.g. a government body, sponsoring firm, or a charity), because such needs should have been taken into account before work began. Graduates are therefore expected to familiarise themselves with the rules of their own funding body. Some authorities, for example, will normally pay for one conference visit during the course of a graduate degree.

University funds: There are a number of University funds designated for special topics and available to graduates. A complete list is published regularly in the University Gazette, which can be found at www.ox.ac.uk/gazette/.

Department and Faculty Funds: Departments and Faculties dispense funds for small expenses. If a department considers a piece of research so worthwhile that it may support it financially, despite its limited resources, then this can serve as the type of endorsement which outside agencies seek.

Worcester College Funds: The College considers applications for the following grants:

a) Academic Expenses Grant

Grants are available to assist graduate students with academic expenses incurred as a necessary part of completing their programme of study. Examples of such expenses include: conference attendance; travel and other costs incurred for research purposes; specialist equipment. The total amount that each graduate may apply for is dependent on the length/type of their programme of study as shown:

- 1-year taught degree students: £300 general allowance and a £50 book allowance
- Students on research degrees lasting less than 3 years, and 2 year taught degrees: £550 general allowance
- Students on research degrees lasting 3 years or more: £750 general allowance

The conditions on each application are:

- that is not a necessary part of completing the applicant's course (course costs for postgraduates are the responsibility of their Department/Faculty)
- that it is supported on academic grounds by the supervisor,
- that the applicant's award giving body has been approached for a contribution,
- that the Department/Faculty has been approached for a contribution,
- that the candidate specifies his/her own proposed contribution to the cost, if any.

Application forms are available from the Graduate Officer or the [College's intranet](#).

b) Equal Access to Learning Fund

With the generous support of the Dorset Trust, the College has recently established a fund for material access to learning. This includes the purchase of items such as laptops and books and for tuition and technological support while away from College. All students, both undergraduate and postgraduate, as well as offer-holders, can apply for the fund on a means-tested basis.

Details are available on the [College website](#) and further information may be sought by emailing the Learning Development Officer, [George Webster](#).

c) College Financial Aid

Graduates who find themselves in unforeseen personal financial difficulty may apply for financial aid. These grants and loans can only be given if the financial difficulty arises after a graduate has arrived. They cannot be given if the claim, in effect, is based upon the fact that insufficient funding was available for the graduate to undertake the course.

Further details about student financial aid can also be found on the intranet by following the link below. An online form is available there to explain the situation and level of need. This will be returned to the Financial Aid Officer and the Academic Administrator. All material provided is treated as confidential, and is shared only on a need-to-know basis.

CLICK HERE FOR INFORMATION ON POSTGRADUATE FINANCIAL AID, GRANTS & BURSARIES

7.2 FINANCIAL DIFFICULTY

HE ACCESS TO LEARNING FUND

This is a government fund for 'Home' students reading for an undergraduate degree, 2nd BM, PGCE or postgraduate degree who finds themselves in financial hardship due to unforeseen circumstances. It is normally given by way of a grant. Eligible students can apply as soon as necessary to the University's Student Funding Office on an application form which can be obtained from the Financial Aid Officer. Students are advised to take a copy of the application form and supporting documents before they send them to the Student Funding Office, in case they subsequently need to apply for College or University hardship funds.

UNIVERSITY HARDSHIP FUNDS

These funds are aimed principally at those who are in financial hardship, but who are not eligible for a grant from the HE Access to Learning Fund.

Students who find themselves in difficulties with money may speak to their College Advisor, the Dean, the College Accountant, the Graduate Officer, the Provost, the MCR President, Treasurer, or Welfare Rep, all of whom can offer advice. Alternatively,

students may write directly to the Financial Aid Officer. It is always a worry for those having financial difficulties, but the College is keen to ensure, in so far as it can, that students' academic work is not adversely affected by financial hardship.

Links and further information can be found on the [Graduate Finance page](#).

8. DOMESTIC INFORMATION

8.1 UNDERGRADUATE ACCOMMODATION

- 8.1.i Room Structure and Allocation
- 8.1.ii Accessibility and Special Requests
- 8.1.iii Licence Agreement and Payment
- 8.1.iv Check-In and Check-Out Procedures
- 8.1.v Vacation Residency Guide
- 8.1.vi Vacation Residency Eligibility, Conditions and Applications
- 8.1.vii Third Year Easter Vacation Period

8.1.i Room Structure and Allocation

The College guarantees accommodation to all undergraduate students for the three years of their degree. First year students must reside in College. Second and third year students may choose to live out. However, students wishing to live out of College must first consult with the Dean.

College accommodation is organised into numbered 'staircases'—for example, '8.1' indicates Staircase 8, Room 1. Each block is further divided into households.

Rooms vary widely in age, size, and furnishings, and are assigned one of six room grades. Students are issued a Licence Agreement at the beginning of each academic year, which includes details about room allocation and fees.

First-year students receive their room allocation and license agreement during -1st week of Michaelmas Term, prior to arrival. For subsequent years, a room draw takes place:

End of First Year: Students are randomly assigned a lottery number by computer. Based on these numbers, they select rooms in turn from the available options.

End of Second Year: The order is reversed, and a second draw is held to allocate rooms for third year.

The room draw process is managed by the Accommodation Office in co-ordination with the JCR Housing Rep and JCR President, with support from the Dean, Senior Tutor, and Welfare Officer. The aim is to ensure fair access to available rooms.

8.1.ii Accessibility and Special Requests

The College offers a number of accessible rooms, some of which are located on the ground floor and/or adapted for a variety of needs. Students may request specific types of accommodation (e.g., en-suite rooms) on medical, welfare, disability, or faith-related grounds. Please note that Worcester College does not offer gender-segregated accommodation blocks. Further details can be found in Section 5 of the Student Handbook.

8.1.iii Licence Agreement and Payment

All students must sign a Licence Agreement prior to or upon arrival, which includes the dates for arrival and departure each term. Occupation of accommodation—even before signing—constitutes agreement to the terms and a commitment to pay rent.

Students must also set up a regular payment plan in accordance with their license agreement. Failure to do so will result in a £30 administration fee and interest at 3% above the UK base rate on the final battels.

8.1.iv Check-In and Check-Out Procedures

Check-In: Students may check in from 2:00pm on the official arrival day at the start of each term. Early check-in is not permitted.

Check-Out: Students must vacate their room and return all keys and fobs to the Lodge by 10:00am on the Saturday of 8th Week each term. Even if a student does not possess a key, they are still required to sign out at the Lodge.

Failure to check out correctly at any given time will result in charges at the nightly rate of the room grade continuing to apply until the Accommodation Office receives confirmation that the student has checked out. Failure to return keys or fobs will result in continued charges until these items are received.

Please note that no credits will be issued for early departures at the end of term or late arrivals at the beginning of term, in line with Licence Agreement dates.

Additionally, undergraduates without prior permission for vacation residence must vacate their rooms by 10:00am on the Saturday of 8th Week in Michaelmas, Hilary, and Trinity terms. Failure to check out by the scheduled time of 10:00am will result in an administration charge of up to £50 for departures up to 12 midday, and £50 for each additional hour thereafter.

8.1.v Vacation Residency Guide

Junior Members are required to vacate their College accommodation by 10:00am at the end of each term, in accordance with the licence agreement and College regulations. College accommodation is not intended to serve as a permanent or semi-permanent residence, and there is no automatic entitlement to remain in residence during vacation periods. The College strongly encourages students to leave during each vacation, as taking a break from the intensity of term-time is considered highly beneficial for both well-being and academic performance, particularly in preparation for exams. Those wishing to remain in Oxford year-round for work or study are advised to seek private accommodation. Oxford Sources of Accommodation

Junior Members should consult their Personal Tutors before the end of each term to discuss study plans. They should also ensure they collect any necessary materials or arrange remote access to online resources, enabling effective study during the vacation period away from Oxford.

You can access many electronic resources remotely, including most of the University's electronic literature resources.

Most UK universities operate a reciprocal system which allows you to use local university libraries during vacations. Your eduroam wi-fi credentials will work in most UK and many foreign universities – see <http://help.it.ox.ac.uk/network/wireless/services/eduroam/index> .

Please note that the College does not provide welfare support during vacation periods. During this time, Junior Members are considered not in residence.

8.1.vi Vacation Residency Eligibility, Conditions and Applications

Vacation residency is granted only with explicit permission and is intended primarily for academic purposes. These may include sitting University exams (Prelims or Finals), conducting project work, writing dissertations, or undertaking other formal coursework that requires in-person presence. In this context, “sitting exams” refers specifically to staying in residence after the end of term to take exam papers—not remaining in Oxford to revise for upcoming exams.

Students sitting exams may stay the night of their final examination and may request one additional night for packing. This extra night is not covered by exam credits and will be charged at the nightly rate of the room grade. Students in this category do not need to apply for a vacation grant; battels will be automatically credited.

While the primary reason for granting vacation residency is academic, the following additional circumstances may be considered on a case-by-case basis. Please note that approval is not guaranteed:

- **Hardship:** This includes, but is not limited to, students experiencing significant personal difficulties such as family estrangement.
- **International Students:** Consideration may be given to international students who face challenges in returning home during vacation periods.
- **Extracurricular Commitments:** Where accommodation is available and a strong case is made, short stays for participation in University sport, music, or other extracurricular activities may occasionally be approved.
- **Compassionate Grounds:** In exceptional cases, vacation residence may be granted on compassionate grounds.

Each request will be reviewed individually. Initial review is conducted by the Accommodation Department, and in some cases, the request may also be evaluated by another department relevant to the specific type of vacation residence requested. Supporting documentation is usually required.

Permission will not be granted to cover waiting periods before parents can collect or return students or their belongings. Term dates are published well in advance, and students are expected to plan accordingly.

Vacation residence will be granted only for continuous periods—either at the end of one term or before the beginning of the next. Students may not sign in and out of residence during the vacation. Exceptions may be made for laboratory-based projects or similar activities with a defined start date later in the vacation; documentation confirming the later start date will be required.

Requests to alter an approved period of vacation residence must be submitted to the Accommodation Manager, who will refer them to the panel for review.

Permission to stay during the vacation does not confer the right to retain your term-time room, which may be needed for other College purposes. Unless sitting University examinations, students granted vacation residence may be required to move to Mitchell Building by 4:00pm on the Saturday of 8th week of each term.

Any period of vacation residence for which permission has not been obtained will be charged at the applicable nightly rate of the room grade.

Vacation residence online applications open at 8:00am on Sunday of 3rd week.
Online applications close at 11:55pm on Friday of 5th week.
Late or retrospective applications will not be considered.

Vacation residence ends at 10:00am on the day of departure—this applies throughout all vacation periods, not only on weekends or end of term days. Failure to check out by the scheduled time of 10:00am will result in an administration charge of up to £50 for departures up to 12 midday, and £50 for each additional hour thereafter.

Lack of awareness of the vacation rules or key dates will not be accepted as a reason for non-compliance or late applications.

8.1.vii Third Year Easter Vacation Period

Third year students have been granted a special provision to remain in college accommodation throughout the Easter Vacation in order to study for their Hilary Term exams. This period is included as part of the third year licence agreement.

Students who wish to leave for all or part of the Easter Vacation may do so and will not be charged for the nights they are not in residence, provided they complete the online application. Please note that only one departure and one return will be permitted during this period, with no exceptions.

Students who depart during the Easter Vacation will be permitted to leave their belongings in their room, under the following conditions:

- All belongings must be stored neatly and tidily.
- Items must be placed either on the bed or in cupboards.

- Floors and en-suite bathrooms must be completely cleared to allow Housekeeping access for cleaning.

A minimum charge of £50 will apply without further notice if the above requirements are not met.

8.2 GRADUATE ACCOMMODATION

- 8.2.i Room Structure and Allocation
- 8.2.ii Accessibility and Special Requests
- 8.2.iii Licence Agreement and Payment
- 8.2.iv Check-in and check-out Procedures

8.2.i Room Structure and Allocation

Due to limited availability, the College is unfortunately unable to accommodate all first-year graduate students. However, we aim to provide accommodation for as many as possible for one academic year, though this cannot be guaranteed.

Most graduate accommodation is located close to the College, the sports ground, and MCR (Middle Common Room) facilities, fostering a strong sense of community among graduate students. Those who are allocated College accommodation will receive an email before arrival with details of their room allocation, rent payment instructions, and the licence agreement.

Rooms vary in size, age, and fittings, and are assigned one of six different grades. Both en-suite rooms and rooms with shared bathrooms are available. All graduate accommodation includes access to kitchen facilities. Please note that Worcester College does not offer gender-segregated accommodation blocks.

8.2.ii Accessibility and Special Requests

The College provides accommodation adapted for a range of accessibility needs. We can also consider requests for specific types of accommodation (e.g. en-suite rooms) on medical, welfare, disability, or faith-related grounds. For more information, please refer to Section 5 of the Handbook.

8.2.iii Licence Agreement and Payment

Rent is due on or before the first day of each month and must be paid by regular standing order from a UK bank account. Students who are unable to set up a standing order must pay their October rent to the Bursary as soon as possible after arrival. Those arriving before 1 October will need to make a separate payment to cover the period between their arrival and 1 October.

All students living in College accommodation are required to sign a licence agreement and establish a regular payment method. Failure to do so will result in a £30 administration fee and interest at 3% above the UK base rate on the final battels. Please note that occupying accommodation, even prior to signing the agreement, will be taken as acceptance of the obligation to pay rent and comply with the terms of the licence.

Graduate licence agreements are typically for a duration of 10 months, with a default end date of 1 August. Students may request to extend or shorten the licence by one calendar month, to either 1 July or 1 September, subject to availability and approval. Please note that accommodation will not be available beyond 1 September. Graduates with extended course dates are strongly advised to secure private accommodation well in advance.

8.2.iv Check-in and check-out Procedures

Check-In: Students may check in at the Lodge from 2:00pm on the official arrival day communicated by the Graduate office and in accordance with the license agreement. Early check-in is not permitted.

Check-Out: Students must vacate their room and return all keys and fobs to the Lodge by 10:00 am on their official day of departure. Even if a student does not possess a key, they are still required to sign out at the Lodge.

Charges at the nightly rate of the room grade will be applied until the Accommodation Office receives confirmation that the student has checked out. Failure to return keys or fobs will result in continued charges until these are received.

Please note that no credits will be issued for early departures or late arrivals. Graduate licence agreements are based on a fixed monthly rate and cannot be prorated.

Failure to check out by the scheduled time of 10:00am will result in an administration charge of up to £50 for departures up to 12 midday, and £50 for each additional hour thereafter.

8.3 GENERAL ACCOMMODATION INFORMATION

[CLICK HERE TO READ THE WORCESTER COLLEGE ACCOMMODATION GUIDE](#)

- 8.3.i Furnishings and What to Bring
- 8.3.ii Prohibited Items
- 8.3.iii Kitchens and Cleaning
- 8.3.iv Room Changes and Maintenance
- 8.3.v Television Licence
- 8.3.vi Arrival and Key Collection
- 8.3.vii Maintenance and Room Care
- 8.3.viii Lost Keys
- 8.3.ix Pest Control
- 8.3.x Misuse of Rooms and Common Areas
- 8.3.xi Communal Areas
- 8.3.xii Smoking and Vaping Policy
- 8.3.xiii Utilities and Services
- 8.3.xiv Code of Practice
- 8.3.xv Pets
- 8.3.xvi Storage for International Students (Junior Members Only)

8.3.i Furnishings and What to Bring

All accommodation is fully furnished, with some rooms containing additional items of furniture. Mattress protectors are provided for every bed. Please note that if a student removes and takes the mattress protector at the end of term, they will be charged the current price for its replacement. Returning the original protector at a later date will not negate the charge, as a new one will already have been issued.

Students must bring their own bedding, including:

- Duvet
- Pillow(s)
- Duvet cover
- Sheets
- Pillowcases
- Towels

Alternatively, bedding can be purchased in advance via UniKitOut and delivered to the College. See the Accommodation Guide for further details: [Accommodation Guide](#)

Students are welcome to bring personal items to make their rooms feel more homely. However, bringing or purchasing additional furniture (e.g., sofas, beds, armchairs) is strictly prohibited for fire safety reasons. A disposal fee of up to £50 will be charged for unauthorised furniture, with additional fees for larger items.

If you have any questions about what you are permitted to bring, please contact the Accommodation Manager accommodation@worc.ox.ac.uk

8.3.ii Prohibited Items

The following are not permitted in student rooms:

- Lit candles or burning incense
- Sandwich makers, toasters, microwaves, slow cookers, rice cookers, hot plates, grills
- Mains-powered mood lighting (battery-operated fairy lights are acceptable)
- Clothes horses/drying racks (use the shared laundry facilities)
- Advertisements, signs, nameplates, flags, banners, posters or notices anywhere in or outside College buildings

8.3.iii Kitchens and Cleaning

Students are required to clear their rooms and kitchens of all personal belongings at the end of each term. Failure to do so will incur a fee of £50 for up to two hours of work, with an additional £50 charged for each subsequent hour, without further notice.

Rooms left empty but requiring deep cleaning will also be charged at the same rate.

Students with kitchen access must bring their own:

- Crockery
- Cutlery
- Glasses
- Pots and pans

Crockery or glasses must not be removed from the College dining hall or bar for use in rooms.

Students are also expected to bring domestic cleaning materials and cloths for personal use in their rooms, kitchens, and en-suite bathrooms. Some shared kitchens include dishwashers, and students are responsible for maintaining them and supplying dishwasher tablets, salt, and rinse aid. Instructions for kitchen appliances are available in each kitchen.

Students without shared kitchen access will be provided with a mini-fridge in their rooms.

Please note: In rooms that have access to a shared kitchen, existing mini-fridges will not be replaced when they stop working. This policy aligns with the College's environmental commitment to reduce emissions by minimising the replacement of expired mini-fridges.

8.3.iv Room Changes and Maintenance

The College reserves the right to move students to alternative rooms during the academic year if necessary—for example, to carry out urgent maintenance. Such instances are rare.

8.3.v Television Licence

If you plan to watch live TV or use BBC iPlayer (including for catch-up), a TV licence is required. This applies to all devices (smart TVs, computers, tablets, phones, games consoles, etc.) even when using third-party services such as Sky or Virgin. For more details, visit the official TV licensing website.

8.3.vi Arrival and Key Collection

Upon arrival, new students will receive a University card (commonly called the Bod Card), which provides access to libraries, IT services, College areas (e.g. post room, bike sheds), and is also used to pay for meals. Room keys must be collected from the Lodge.

Any issues with accommodation should be reported immediately to the appropriate Helpdesk (see the section below for Helpdesk information). Students must check that all appliances, lights, and taps are working upon arrival and report any faults to the Maintenance or Housekeeping team.

8.3.vii Maintenance and Room Care

The College follows a rolling schedule of redecoration and maintenance. Do not attach posters or pictures to the walls; use the provided pinboards.

All maintenance issues should be reported via the online Maintenance Helpdesk on the College website. Requests are prioritised and updates will be provided. The maintenance team may require access to rooms from 8:00am onwards. If a student is under 18, they must state this when submitting a maintenance request, as they may be asked to leave the room during repairs.

Maintenance staff will not enter occupied rooms if asked not to by the occupant, but students are expected to allow access during normal working hours. Advance notice will be given whenever possible.

8.3.viii Lost Keys

Students locked out may borrow a spare key from the Lodge, which must be returned immediately. Lost keys, fobs, or incomplete key sets (e.g., missing tags or labels) will incur a replacement charge of up to £75.

8.3.ix Pest Control

Occasionally, pests may be found in College buildings. The College contracts pest control services to address such issues. Students must:

- Store food in sealed containers
- Clean up food spills promptly
- Wash dishes and utensils after use

Report pest sightings via the Maintenance Helpdesk. Reports made during working hours will be forwarded to the pest control team the same day; out-of-hours reports will be handled on the next working day. The contractor typically responds within 48 hours.

8.3.x Misuse of Rooms and Common Areas

Students must follow the accommodation licence agreement. Damage or misuse of rooms, kitchens, fixtures, furnishings, or College property will result in charges for repair or replacement.

Rooms and common areas requiring additional cleaning or disposal of belongings left behind by students will incur a fee of £50 for up to two hours of work, with an additional £50 charged for each subsequent hour, without further notice.

If the responsible individual(s) cannot be identified, costs will be divided among students sharing the affected area (e.g., staircase, household, or kitchen).

The Housekeeping Team manages initial breaches, with escalation to the Accommodation Manager and then the Dean, who may impose disciplinary action and/or recovery of costs.

Smoking or vaping inside rooms is strictly forbidden. Tampering with smoke or heat detectors is dangerous and will be immediately escalated to the Dean and incur charges of up to £50 for inspection and retesting.

Report any concerns about accommodation breaches to:

accommodation@worc.ox.ac.uk

8.3.xi Communal Areas

For fire safety reasons, no personal belongings are allowed in communal areas such as corridors, staircases, kitchens, or shared lounges. Items found will be removed and disposed of without notice, and a fee of up to £50 will be charged to the responsible individual. If the responsible individual cannot be identified, costs will be

divided among students sharing the affected area (e.g., staircase, household, or kitchen).

8.3.xii Smoking and Vaping Policy

Smoking and vaping are not permitted indoors. Designated smoking areas are marked on the College map. For further details, consult Section 10 of the Non-Academic Rules and Regulations.

8.3.xiii Utilities and Services

Utility costs (gas, electricity, water, waste disposal) are included in your rent. The Scout cleaning service is also provided free of charge. Instructions for using heaters are available in each accommodation block.

8.3.xiv Code of Practice

Worcester College follows the Universities UK Approved Accommodation Code of Practice. Full details are available online. [UUK Accommodation Code of Practice](#)

8.3.xv Pets

Pets are not permitted in College accommodation. Dogs are generally not allowed on College grounds. However, service animals, such as guide dogs, are welcome. If you are bringing a service animal, contact the Head of Welfare in advance so appropriate arrangements can be made.

8.3.xvi Storage for International Students (Junior Members Only)

Storage is only available to International Students (with non-term-time addresses outside the UK, or in Scotland/Northern Ireland) who are living in College accommodation. Eligible students may store:

- Up to four boxes (approx. 25" x 15" x 17")
- One bag with bed linen

Storage is coordinated by the JCR International Rep and overseen by the Accommodation Office. Details will be sent out near the end of each term by the JCR International Rep.

Note: Storage is not available to international students not returning to College accommodation.

Students requiring storage during vacation periods can use external providers such as [TheBoxCo](#) which offers collection, storage, and delivery services.

8.4 HOUSEKEEPING

The Housekeeping Department (known as the team of Scouts) are responsible for all cleaning and waste management around College, including in student accommodation. This service is provided at no extra charge to all students to maintain the upkeep of College facilities. Should you need any advice or information regarding Housekeeping

services, please contact housekeeping@worc.ox.ac.uk and a member of the team will be able to help you.

WHAT WE DO

On arrival, the Housekeeping team will ensure all student accommodation is in a clean and safe condition.

All communal areas (including kitchens, shared bathrooms, stairwells, and corridors) will be cleaned every weekday. Cleaning schedules are posted in all buildings and may change each term.

All student rooms will be cleaned once a week. This includes emptying bins and vacuuming floors. If you have an ensuite bathroom or private kitchen facilities, these will also be cleaned once a week. Toilet paper will be replenished during the Scouts' weekly visits.

During the Scouts' scheduled cleaning visits, inspections will be periodically carried out to maintain safety, upkeep, and reasonable standards of cleanliness. The Housekeeping Team will contact you if any issues are found during these inspections. Any maintenance issues will be reported directly to the Maintenance Department.

The focus of the housekeeping team is to maintain the cleanliness of communal areas and bedrooms; however, it may not always be possible to uphold the normal service level standards when staff are on training courses, annual leave or absent due to illness. We will endeavour to maintain cleaning services in the event of any absences, and you will be notified if there is a change to the service.

WHAT WE ASK OF YOU

For the Scouts to effectively carry out their work, we ask that students keep bedrooms and communal areas tidy and free of clutter. Maintaining a good standard of cleanliness and hygiene is important to your personal wellbeing while at College. It will also reduce the chances of spreading disease and infection caused by inadequate cleaning or incorrect food storage provisions.

We ask students to become familiar with the cleaning schedule for their accommodation so that rooms can be tidied in advance for Scouts to complete their work. Students are asked to be flexible and respectful of the Housekeeping Department in times of staff shortages.

In addition to the Scout service, students should regularly clean bedrooms and communal areas. We recommend that all students purchase some basic cleaning materials for their own personal use. Below you will find some tips to help you keep the accommodation clean and safe for other students and staff.

CLEANING TIPS

a) Bathrooms

- Keep clutter to a minimum in shared bathrooms and store all toiletries in your bedroom. This will prevent dirt build up which will make the bathroom much easier to clean.

- Regularly clean all surfaces and remember to replace cleaning sponges often to kill germs and keep bathrooms sanitary.
- Flush the toilet after each use. Use toilet blocks that release cleaning agents into the bowl every time the toilet is flushed to keep toilets clean and fresh.
- Ensure the extractor fan is turned on during and directly after using the shower to help dry out the room and prevent mould.

b) Kitchens

- Follow the guidance on signage in kitchens asking students to work together to keep kitchens clean.
- Ensure sinks are clean and draining racks are clear of all plates/utensils after use.
- Keep surfaces tidy. All kitchen belongings should be stored neatly in cupboards when not in use.
- Sanitise surfaces before and after use. Always wipe up food spillages straight away.
- Regularly clear out fridges and food cupboards to remove any rotten food to the appropriate bin. Food should always be stored in sealed packaging to keep it fresh and secure.
- Students are responsible for the upkeep of dishwashers in shared kitchens. Rinse aid and salt will need to be bought from time to time to keep dishwashers running smoothly.
- Follow the guidelines for recycling and food waste bins. Overflowing bins can cause bad smells and unwanted pests. There are bin areas near all residential buildings to take out any rubbish bags when they become full.
- Do not allow bottles and cans to build up over the weekend, take them to the bulk recycling bins in a nearby bin area.

c) Bedrooms

- Regularly sanitise high touch point areas e.g. light switches and door handles. (Caution: do not spray sanitiser or liquids directly onto light switches as this may cause electric shocks.)
- Keep floors clear of belongings to minimise trip hazards and allow the Scouts to vacuum.
- If your bedroom bin is full, take it out to the communal bins in kitchens or outdoor bin areas.
- Any maintenance issues should be reported to the Maintenance Helpdesk (maintenancehelpdesk@worc.ox.ac.uk) immediately to ensure all facilities are in proper working order.

8.5 HELPDESKS

If you encounter any issues during your time at College, your first port of call will be the online [Helpdesk System](#). From there you can 'Submit a ticket' to the relevant department. There is also a 'Knowledgebase' of answers to frequently asked questions.

Please refer to the below to determine which Helpdesk to use depending on the issue. Submitting a ticket is the quickest way to have issues resolved as all members of each department are notified when tickets are submitted.

These helpdesks are monitored from Monday to Friday from 8am to 4pm, outside of these hours please contact the Lodge for any immediate issues.

MAINTENANCE

Responsible for the maintenance of the College's estate, including - electrical, plumbing, drainage, heating, decorating, glazing, mechanical locks and pest control.

HOUSEKEEPING

Responsible for general housekeeping and upkeep of the College accommodation and communal areas, and waste management.

ACCOMMODATION

Responsible for furniture replacement including beds and mattresses as well as accommodation licenses, vacation residences and co-ordinating room allocation.

IT

Responsible for the Colleges computers and digital systems, including network connections, telephones, Wi-Fi, and audio visual.

RAISE A TICKET HERE

8.6 LAUNDRY

There are several launderettes in College, equipped with washers, driers, and ironing facilities. Students are responsible for all their own laundry, including sheets, towels, pillowcases, and duvet covers. There are launderettes in the Mitchell Building, Sainsbury Building, 5-7 Beaumont Street and Canal Building. Communal laundrettes can be found at the Linbury Building (in a room adjacent to the Morley Fletcher room), and the Earl Building (located opposite Gloucester House). Additionally, graduates have a laundry in Franks Building. Occupants in Worcester House, Richmond Road and some Worcester Place properties have shared laundry facilities.

The washing machines are operated using a downloadable app (full instructions are in each laundry area) or by tap and go. A single wash costs approx. £2.10 or a 60 minute dryer cycle costs approx. £2.

Students can check machine availability using [Circuit View](#). Simply select which laundry room you would like to use to see which machines are free. There are baskets provided for any missing clothing items that are left behind. Please respect other students by emptying the lint from the dryer after each use and by rinsing heavily soiled clothing items in the sinks provided prior to washing. Please keep the shared laundries clean and tidy.

8.7 FOOD

Good value food is available from 0th to 9th weeks inclusive. Options for breakfast, lunch and dinner are open daily. Breakfast, lunch and dinner are not available out of term, but all graduate accommodation has kitchen facilities.

Whilst the College cannot guarantee to be able to accommodate all dietary requirements, we are used to dealing with food allergies and religious dietary requirements and will do our best to accommodate all reasonable requirements. Should you wish to discuss your needs further, please contact the Hospitality & Kitchen Team (catering@worc.ox.ac.uk).

Students with queries should see the JCR Food & Bar Rep or MCR Accommodation & Food Rep. Any suggestions about any aspect of College food can also be made to the Rep.

The College operates a cashless payment system called [UPay](#). Further information about this system is sent to new students before they arrive at the College and is also available on the intranet. Tickets for dining and guests are purchased online through [UPay](#). Reservations close at 12 noon the day before. Students are only permitted to purchase a ticket for themselves and their external guests. Student prices are subsidized, but guests are charged at cost.

From time to time special guest night dinners, including some for parents, are arranged by the JCR or MCR Committee. You will be emailed details of these closer to the time. Please note that all guests dining must be over the age of 16. For rules governing college guests, see Guests, (section 11.4).

[READ MORE ABOUT CATERING AT WORCESTER HERE](#)

8.8 SECURITY AND INSURANCE

As a sensible precaution against theft, it is essential that the doors to students' rooms are always locked when unoccupied. No personal property should be left unattended in public places.

Your access card is programmed to open most of the College's external gates/doors. It also provides access to the Law Library, the undergraduate computer room, the MCR, the main Library, the main front door, and the entrances to several accommodation blocks. Doors must be allowed to shut automatically, and not be wedged open. Any problems with locking and security mechanisms should be reported immediately to the Lodge.

The College has arranged basic insurance cover for all students living in College accommodation. Insurance fees are included in the accommodation charges. Full details of cover can be obtained from the Accommodation team at accommodation@worc.ox.ac.uk. Additional personal cover can be added by contacting the insurance company directly.

College rooms are used for other College business, external business, and maintenance during the vacations. Wardrobes and drawers must be left empty: kitchens must also be cleared and cleaned. Overseas undergraduate students who are returning the following term may apply to store up to four boxes (approx. 25" x 15" x 17") and a bag with bed linen over the vacation. All items left must be clearly labelled with the student's name and contact details. Anything left in rooms, shared facilities or in College during vacations do is left entirely at College Members' own risk.

8.9 UNIVERSITY CARDS

Your University card, commonly known as a 'Bod card' (after the Bodleian Library) is your ID card around Oxford University. Don't leave your room without it! University Cards are exclusively issued to individuals for their personal use, and they play a critical role in ensuring authorised access. Please be reminded that:

1. Bod Cards must never be given to another individual under any circumstances.
2. Using someone else's Bod Card or allowing another person to use yours is strictly prohibited.

Unauthorised usage undermines our access control measures and may compromise the security of sensitive information, facilities, or resources. Your adherence to these policies helps uphold the integrity and safety of our community.

Misuse of your card, such as allowing another person to use it for access to premises or facilities, is a serious offence and will be reported to the appropriate disciplinary authorities. Your card remains valid as long as you continue to hold the status shown on it. If your status changes, the card may be cancelled before the printed expiry date.

Among other things, it is used for:

- Accessing buildings
- Taking out library books
- Identifying yourself at exams and formal University events
- Paying for meals in college and for drinks at the bar
- Getting discounts: many businesses in Oxford will accept a university card as eligibility for student discounts, admission to 'student nights' at clubs, etc.

Maintaining a secure environment is a priority for College. Your Bod Card is an essential tool for managing access control across our site as well as payment and printing services.

YOUR UNIVERSITY CARD

Please read carefully.

Please sign your card immediately.

Keep both the card and this information safe for future use and reference.

The attached card is your **University Card**.

You will need it for admission to **The Bodleian Libraries** and other **University Libraries** (see bottom overleaf) and to use **IT Services** and the **Language Teaching Centre**. In some colleges and university departments, you will need it as a payment card or to enter buildings which have swipe-card/contactless access control. It will also act as an identity card whenever you are on college or university premises.

UNIVERSITY OF OXFORD

Matthew Arnold — Your name

UNDERGRADUATE reading for — Your status
BA English Language and Literature - Cou — Your course of study

English Faculty — Your organisational unit
Balliol College — Your college or college code

8766432 — Student ID number
30 JUN 2025 — Card expiry date
2953201 — Card issue number

S — Your Bodleian Group
Used by the Bodleian in dealing with your requests for books etc
S=Standard, A=Manuscripts

Barcode — Your barcode number
Used by libraries as a unique reader number for registration and borrowing. This barcode is also used by number of institutions for security purposes.

The University logo is found on the back of the card and makes it possible for you to use certain facilities and shows your official membership of the University of Oxford.

The Bodleian logo
Gives access to all Bodleian Library buildings – further registration is sometimes required once you are in possession of the card.

Misuse of your card, such as allowing another person to use it for access to premises or facilities, is a serious offence and will be reported to the appropriate disciplinary authorities.

(Photograph of Matthew Arnold reproduced with kind permission of the Master and fellows of Balliol College. Matthew Arnold was an alumnus of Balliol College, University of Oxford)

Validity

Your card remains valid as long as you continue to hold the status shown on it. If your status changes, the card may be cancelled before the printed expiry date. Your card is the property of the University of Oxford and must be surrendered on request from an authorised person.

University and College Rules

You are reminded that in signing the application for this card you agreed to obey all the rules of the institutions and facilities to which it allows you access and that the personal information you provided may be used to determine access to a range of university and college resources (e.g. premises, laboratories, computing services). The information has been collected and processed according to the provisions of the General Data Protection Regulation (GDPR).

Error

If the card shows incorrect details, contact your college office which will arrange for it to be amended.

Theft, loss or damage

Please inform your college office and ask for a replacement immediately – state whether the card was lost, stolen or damaged. If it has been lost or stolen, reporting this loss quickly will prevent unauthorised use of your card for which you may be held responsible. If your card has been stolen, you will need to produce a crime number.

Your new card should be ready to collect from your college office within 72 hours of the University Card Office receiving the request if it has been stolen or damaged. If your card has been lost you must report the loss to your college and pay the £15 fee using the on-line store at www.oxforduniversitystores.co.uk (click on 'product catalogue' and then scroll down and click on 'University Card Office'). Once the Card Office verifies payment has been made it will send your card to your college administrator. All cards reported as lost must be paid for, even if found at a later date. The speed with which you receive your card will depend on how quickly you make your payment.

If you need urgent access to libraries, The Bodleian Libraries Admissions Office in the Weston Library on Broad Street can issue you a day pass until your new university card arrives.

If you find a card which you have reported lost or stolen, you must destroy the old card and only use the new one (which will have a different barcode number and the latest issue number).

Misuse

Misuse of your card, such as allowing another person to use it for access to premises or facilities, is a serious offence and will be reported to the appropriate disciplinary authorities.

Using the card at University and College Libraries

Please remember to bring your card whenever you visit a Library. You need it to gain entrance to most libraries and to borrow books from the majority of University and some College libraries.

The Bodleian Libraries grants access to its facilities and services subject to acceptance of the associated rules of conduct. Sanctions, including the withdrawal of access and services, may be imposed on readers who breach or attempt to breach these rules. The Rules of Conduct in the Bodleian Libraries can be found at: www.bodleian.ox.ac.uk/using/rules

You will need to use your Bodleian Libraries username and password to log on to 'Bodleian Libraries' Wi-Fi and public computers. Your username is the barcode number from your University card and you can assign yourself a password by visiting <https://register.bodleian.ox.ac.uk/>. If you require any assistance please speak to a Reader Services staff member in any of the Bodleian Libraries. Please check <http://www.bodleian.ox.ac.uk/using/passwords> for further updates.

For most other library services (including book renewals and ordering items from the book stacks) please use your Oxford Single Sign On (SSO) username and password. This is supplied separately. For more information about passwords please see www.bodleian.ox.ac.uk/passwords

Please take care of your card

LOST, STOLEN & DAMAGED CARDS

If you have lost your card, had your card stolen or your card has been damaged, go to the Porters' Lodge asap to collect a temporary card. The temporary card will give you all the same access and permissions your Bod Card has and will also stop anyone else using your card to gain entry in to the College.

Staff and students who lose their university card will be charged a £15 flat rate replacement fee to cover the additional cost involved in issuing lost cards. This charge applies to any status card across the University. You will need first to [pay online for your new card](#). (There is no need to report the loss to the Academic Office first, even though the link says you should!) The University Card Office will then send a replacement card to College, and we will email you to let you know when it arrives. You will need to collect it from the Lodge. Please be aware that if you subsequently find the original card, the £15 will not be refunded and you'll still need to collect the new card (the 'lost' one will have been cancelled).

Please report the theft to the Academic Office (undergraduates and academic staff) or Graduate Office (graduates) or Human Resources Office (support staff). It will be necessary to provide a police incident number to ensure that the £15 charge is not imposed. A new card will then be requested for you which will need to be collected from the Lodge.

Please show your broken/damaged card to the Lodge, who will then confirm with the Academic Office or Graduate Office that the card is broken/damaged. A replacement card will then be ordered for you which will need to be collected from the Lodge.

8.10 BICYCLES & CAR PARKING

BICYCLES

Students wishing to cycle around Oxford can either bring a bicycle with them or buy/hire a bicycle while in Oxford. Bicycles may not be ridden inside the College or brought into the Main Quad and south side of the College. Bicycles left outside the front gates of College obstruct the pavement and are vulnerable to vandalism or theft at night.

All bicycles must be registered by completing the form on the [College website](#) and clearly marked with an assigned College permit. Please note that a picture of your bike will be needed to complete the online form. Once registered, the Lodge will provide a sticker to attach to your bike by placing it in an envelope and then in your pigeonhole to collect. Any bicycles found on College premises without a valid permit will be removed without warning. Your assigned permit is only valid while you are a current member of College.

Bicycles should be stored in the designated bicycle storage areas using the racks provided. Any registered bicycles not using the racks provided will be moved to the closest storage area by College staff. Bicycles may not be stored in accommodation rooms or indoor communal areas. We have 348 bicycle racks in 5 different areas throughout College which are marked on the College map.

Students are advised to use a bicycle helmet and to ensure that they have properly working lights for use when it is dark. Students must make themselves aware of the

Highway Code and ensure that they are following all of its legal provisions pertaining to cyclists.

Theft and vandalism of bicycles is common in Oxford. Students are therefore strongly advised to insure their bicycles, as the College cannot accept any responsibility for damage or loss. Students are advised to use locking devices, to have an identification number on the frame. The University's Security Services has good-quality D-locks available for staff and students at a discounted price. To purchase a lock, call the team on 01865 (2)72941. You should also security-mark your bike frame with your name and postcode and register it on the University Cycle Registration Scheme. This means you are far more likely to be reunited with your bike if it is recovered after being stolen. To register your bike, call University Security Services on 01865 (2)72944. If your bike is stolen, Stolen Bikes UK provides a number of services to aid its recovery:

- Find that Bike pulls together adverts for second-hand bikes from various websites, including Gumtree and eBay, into one large searchable gallery. Victims of theft can set up an email alert if a bike matching their search is listed for sale.
- Check that Bike collates information from insurers, bike manufacturers and the police about recovered stolen bikes, and allows members of the public to check their bike frame number against the records held on the database.

REGISTER YOUR BIKE

VIEW BIKE SHED LOCATIONS ON
COLLEGE MAP

CAR PARKING

There is a severe shortage of parking facilities in central Oxford, and parking is strictly controlled by the County Council. The College offers no parking facilities for students except where required as a reasonable adjustment on grounds of disability. Cars will be admitted into the College at the beginning and end of term only for the delivery/collection of personal belongings. Students wishing to do this will need to book a time-limited space; more information about this will be sent out before the start of term. Disabled students who are blue badge holders may be able to park in College if necessary. Please contact the Head of Student Welfare to discuss this.

Occupants of single graduate accommodation in some of the shared houses might be able to apply to Oxfordshire County Council for an on-street parking permit to park outside their college accommodation in some cases. Please note that not all properties are eligible for parking permits and other restrictions may apply. The Council may change its on-street parking regulations at any time. More details can be found at: <https://www.oxfordshire.gov.uk/residents/roads-and-transport/parking/parking-permits/resident-parking-permits>.

8.11 TELEPHONES

There are university network telephones in the Porters' Lodge and entrance to every building. These can be used to get through to other telephones on the university network at no cost.

8.12 POST & PARCELS

Student pigeonholes, located in Staircase 15, Pump Quad, serve as mailboxes for both University and ordinary mail. For ordinary post, the address is Worcester College, Walton Street, Oxford, OX1 2HB. For University mail, the address is Worcester College.

The University runs an efficient 'pigeon-post' service which delivers post to other Colleges, departments and University Offices. Correspondence can be dropped into the box provided in the Porters' Lodge; this is free of charge. There are restrictions to what you can send: for example, clothing, food or money will not be accepted by the services team. Ordinary post is collected from the Lodge daily at 5pm (not Saturdays, Sundays or Bank Holidays). All official communications from the College and University will be sent to students' College pigeon-holes or will be emailed. It is the responsibility of all students to check their pigeon-holes and their Worcester email account at least once a day.

RECEIPT OF PARCELS

Please note that the College will, unless requested otherwise, take delivery of parcels, but cannot be held liable for any loss or damage to items received by post or courier, or whilst awaiting collection by the addressee. Parcels should be collected promptly. You will be emailed via the parcel system when an item is received by the lodge.

8.13 COLLEGE WEBSITE AND INTRANET

The College website address is www.worc.ox.ac.uk. The website contains details about the history and governance of the College, privacy policies, application information, information for alumni, staff listings and details of news and upcoming events. If you have any questions, please contact the Communications Manager (communications@worc.ox.ac.uk).

The WISP (Worcester Intranet SharePoint) contains information on welfare, academic matters, finances and domestic provision. Students are encouraged to refer to this on a regular basis. Any College-wide updates will be posted here and standard College forms are available for download. Students will need their Nexus365 username and password (SSO) to access the site, assigned by the University's IT Services on arrival. [Read more about how the intranet is structured.](#)

8.14 ENVIRONMENTAL POLICY

The College is seeking to reduce its environmental impact through management of energy, water, food, waste, and purchasing. Progress in making the college more environmentally sustainable is monitored by the Joint Committee on Sustainability, which includes members of staff, the JCR and MCR Energy and Recycling Reps and interested students. The Committee welcomes input from all students. Students can contribute to the environmental performance of Worcester College in the following ways:

ENERGY

By turning off lights and heating in common areas and bedrooms, when not in use and when leaving for the vacations, the College's carbon footprint can be reduced considerably. Computers should also be switched off when not in use.

WATER

Water conservation has significant environmental benefits to which students can contribute by taking shorter showers instead of baths where possible and using washing machines only for full loads.

WASTE

All college accommodation has recycling facilities; the vast majority of student waste can be either recycled or composted. Please consider how you will dispose of your items each term/year and donate to local charities where you can. College printers are set to print double-sided automatically, but it's still worth considering whether printing is absolutely necessary.

[READ MORE ABOUT OUR SUSTAINABILITY POLICY AND RESOURCES HERE](#)

9. COLLEGE FACILITIES

9.1 THE LIBRARY

The College Library consists of two main parts: the Upper Library (the modern library) and the Lower Library (the old library). There is also a separate Law Library, situated in the basement of staircase 5.

The Upper Library is at the top of the library staircase and consists of (i) the Franks Room, which contains the issue desk, the catalogues, desks for readers, and the reference and history sections, and (ii) the Murdoch Room, which is an open stack area, containing all the other subject sections. The Upper Library is open 24 hours a day. The Lower Library is the eighteenth-century reading room half-way up the library staircase. Members of College may study in it from 8am until midnight every day during term; it closes every weekend in the vacation. Please treat this historic room with care and respect.

To provide security for the Library, entry is by the access card. Readers should have their card with them at all times, and should ensure that the library doors always remain properly locked.

Demand for seats is frequently high, and in order to ensure the best use of space for the maximum number of students, seats cannot be reserved overnight. Readers are asked to clear their desks when they leave the Library for the day. Material should be taken away or placed in the open lockers in the Franks Room lobby; any library books required should be checked out or they will be re-shelved. The open lockers will be cleared at the end of each term in 10th week. Please do not bring sports kit and other bulky items into the Library. No responsibility can be taken for readers' private papers and possessions, and readers are advised not to leave money or valuables unattended.

The Library is catalogued onto SOLO: the union catalogue of all Oxford libraries (<http://solo.bodleian.ox.ac.uk>). There is a self-issue borrowing system. Readers will need their university cards in order to check out books.

The Library welcomes suggestions from readers for book purchases; there are forms to fill in on the issue desk and an online form is also available on the [Library page](#).

If you have any difficulties, queries or suggestions, please speak to the Library staff, who are there to help. If there is no-one available at the issue desk, please ring the bell on the door marked Librarian. Readers with disabilities are invited to make any special needs known to the Librarian in confidence. For those for whom access to the Library presents a problem, we can deliver books to pigeonholes or to the Lodge, and can collect books for return from the Lodge. Further information for readers with disabilities is available on the [Library page](#).

The rules of the Library are straightforward, and are listed on the [Library page](#). The self-issue system works on trust, and it is to everyone's advantage if books are always checked out, as it makes for a more efficient Library service.

LIBRARY RULES

Please read the Library rules and policies on the [Library page](#). Please note that writing on the desks or walls is totally unacceptable. The College regards vandalism as a serious matter, and all instances will be reported to the Dean.

OTHER OXFORD LIBRARIES

The libraries of other Colleges are not accessible to members of Worcester College, except under special circumstances when a book is not held by any other library in Oxford. In such cases, application must be made to the Librarian of the particular College for permission to consult that book; telephone or email before going to the Library. Consult the pamphlet A guide to Libraries in Oxford, or the libraries section of the Oxford University home page, on how to gain access to Faculty and Departmental libraries.

[CLICK HERE FOR FURTHER INFORMATION ABOUT THE LIBRARY](#)

9.2 IT FACILITIES

Responsible Use of Computers & Network

When using College computers or connecting to the network—whether wired or wireless—students are expected to follow the rules that keep everyone safe and connected.

Regulations You Must Follow

- Use of College computers and network is governed by the College Computing Rules & Regulations
 - See section 11.8 of your college handbook
- By connecting to the network, you also agree to abide by:
 - [University IT Regulations](#)
 - [JISC Acceptable Use Policy](#)

Copyright & Legal Use

You must not use the University's internet connection to commit copyright violations, such as:

- Downloading/uploading music, films, or software without permission

The College receives takedown notices from rights holders and takes them seriously.

Violations may result in fines and referral to the Dean.

☒ **Reminder:** Use University IT services responsibly—it's part of maintaining your digital citizenship at Oxford.

Computer Facilities at College

JCR Computer Room (Basement of Staircase 4 – SC4):

- Has two student-access computers
 - Includes a multi-functional printing device
 - Equipped with docking stations for BYOD (Bring Your Own Device)
 - Also includes a multi-functional printing device
 - Offers additional general-use computers for all students

MCR Computer Room: (MCR building)

Franks Library: 3 computer attached to the network for library research purposes.

Software Access

Specialist software is managed by individual departments through their computer labs.

Students who need additional software in college can:

- Contact their Computing Rep to escalate to the College IT Committee (meets once a term)
- Reach out to the Learning Development Officer for course-related software needs

Logging In

Use your Oxford Single Sign-On (SSO) (e.g., worc0000@OX.AC.UK) to access college computers, email, library services, etc.

If you forget your password, you can reset it [here](#).

University Email System (Nexus365)

All University members receive a unique email address and username through Nexus365, based on Microsoft Office365.

Your Email Address

- College Email Format: preferredname.lastname@worc.ox.ac.uk
- Departmental Email Format (if applicable): preferredname.lastname@dept.ox.ac.uk

These usually go to the same inbox.

Students are required to check their e-mail accounts regularly (at least daily in term time) as important information is distributed by email.

Storage & Access

You'll have 50GB of email storage on Nexus365

To check your email:

- Go to www.office.com in a web browser

For help setting up Outlook or mobile access, visit: [Nexus365 Help Page](#)

IT Provision in Student Rooms

No matter where you're in the College, you'll have Wi-Fi coverage—including all student accommodation.

Wireless Services

The College's Wi-Fi is part of the University's Managed Wireless Services, offering two key networks:

- EDUROAM
 - Designed for: laptops, smartphones, tablets
 - Works throughout the University and at other educational institutions worldwide
 - Set up EDUROAM:
 - [EDUROAM Setup Guide](#)
 - [Register Your EDUROAM Account](#)
- MWS-Devices
 - Designed for: Internet-enabled devices that can't use EDUROAM (e.g. IoT gadgets, smart assistants, etc.)
 - Set up your device password here: [MWS Devices Portal](#)

Important: Students must only use College-provided Wi-Fi and are not permitted to run personal networks or hotspots.

IT Security & Device Safety

Protecting your devices—and the college network—is a shared responsibility.

Here's what you need to know:

- Device Requirements
 - To connect to the College and University network, your device must:
 - Run a supported operating system
 - Have up-to-date antivirus software
 - Free Antivirus Software
 - Students can download Sophos Antivirus free of charge
 - [Download Sophos](#)
- InfoSec Training
 - All students are encouraged to complete the Information Security short course
 - [Online InfoSec Training](#)
 - Learn how to spot phishing scams, secure data, and avoid online threats.
- Acceptable Use & Network Scans
 - Upon connecting to the network, you'll:
 - Agree to the University's Acceptable Use Policy
 - [Read the Policy](#)
 - Your device may be scanned to check for antivirus presence
 - If a device is suspected of containing a virus or causing network issues, the College may disconnect it from the network.
- Physical Security
 - Secure valuable devices—especially laptops—with a Kensington lock or similar, available online or from shops around Oxford

Backups & Data Safety

Your academic work is valuable—so treat it that way by backing it up regularly!

College Computers:

- Files saved to your home drive on college-managed computers are:
- Backed up nightly
- Only a limited number of versions are retained

Personal Devices:

- The College does not back up work held on your own devices
- USB drives and external hard disks can fail—avoid relying on them as your sole backup source
- Postgraduate Backup Option
 - Postgrad students can use the University-supported HFS CrashPlan Cloud Backup Service
 - more details on [CrashPlan Info & Setup](#)

Smart Tip: Consider using cloud storage (e.g., OneDrive via Nexus365) in addition to physical backups for important documents.

IT Support & Help Contacts

If something's not working, don't worry—there's a team ready to help you get back online.

College IT Support

First contact: your JCR or MCR IT Rep, they can guide you or refer you to the right person

Helpdesk Email: ithelpdesk@worc.ox.ac.uk

College IT Team:

IT Manager: Hamayun Minhas

IT Officers; Chris Sharpe, Mike Sixsmith and James Turner

Office Location: Besse Building (opposite the Bursary)

Student Support Hours: 2:00pm – 4:00pm Monday to Friday

Outside these times, students may need to make an appointment, please email the College IT Helpdesk

University IT Support

Visit: [University IT Services](#) for central IT questions and assistance

Departmental IT Support

Direct any department-specific IT issues to your [Department's IT Support Team](#)

IT Training & Skills Development

Want to sharpen your digital skills? The University's IT Services offer a wide range of affordable courses for all members of Oxford.

Training Highlights

- Topics include: Microsoft Office, coding basics, data analysis, digital safety, and more
- Courses are low-cost and suitable for all levels—from complete beginners to advanced users
- Great for boosting productivity, building confidence, or even adding to your CV
- Explore course offerings and sign up here: [University IT Training](#)

[CLICK HERE TO READ MORE ABOUT COLLEGE PRINTING AND INTERNET ACCESS](#)

9.3 THE LODGE

The Lodge is situated at the College entrance and is staffed 24 hours a day, seven days a week by the Porters. They can be contacted by telephone on 01865 (2)78300 or email on lodge@worc.ox.ac.uk.

The Porters sort the College post, answer queries and respond to alarms. They also have a general responsibility for the security of the College and can refuse entry to strangers: visitors and guests must therefore make themselves known to the duty porter when they arrive. Students who have locked themselves out of their room may obtain a spare key from the Lodge or sign out a temporary card if their Bod Card has been misplaced. The key must be returned immediately once access has been regained and the temporary card as soon as possible once the Bod Card has been found.

The Porters' Lodge is where students can find lost property, hand in found property, collect keys to bookable meeting rooms and seek general signposting. It is also where they can find outgoing pigeon post and Royal Mail, bicycle stickers, a first aid kit with defibrillator and an internal phone.

9.4 CHAPEL

The Chapel, which was completed in 1791 and redecorated by William Burges in 1864, is a beautiful and tranquil space in the centre of College which anyone can use for quiet reflection. It is open 24 hours a day, 7 days a week.

In Chapel, you can be still with your own thoughts, you can light a candle as an offering for others, you can write a prayer that people will see on our prayer board, and you can join in the ongoing worship life of our whole community.

All are welcome to attend Chapel services: members of any religion or of none, members of Worcester or not. Every weekday in term time there are morning prayers at 0815, and there are choral evening services on Sundays, Mondays, Tuesdays, and Thursdays at 1800 with a quiet Compline service sung on Wednesdays at 2100. Our services are broadly Church of England in nature and draw on that rich inheritance in language and music. These offer a strong appeal for anyone who has ever felt the need to sit and take a moment with eternity. If you have never experienced this type of worship, Worcester Chapel offers you this gift.

The Chapel is also home to a varied and dynamic programme of concerts and other events throughout the year, involving College members and visits from exciting speakers and talented professional musicians. At the beginning of each term, look out for the Chapel termcard which gives details of everything that will happen.

CHAPLAINCY TEAM

The Chaplain (the Revd Marcus Green) is available to all members of College for conversation, guidance, or just a listening ear. He leads the Chapel community in its regular worship, which is likewise open to everyone regardless of their religious affiliation or experience. As Chaplain, he also supports other faith-based activities in College including use of the Multi-Faith Prayer Room and the Woodroffe Society discussion group. He is supported by the Associate Chaplain (the Revd Dr Matthew Salisbury).

CHOIR & MUSIC

The Director of College Music (Caius Lee) leads the College Choir in its programme of services, concerts, and other activities. He also facilitates all aspects of practical music-making in the College, promoting an environment in which a breadth of

musical styles and genres can flourish and reflecting the interests of the diverse College community.

In addition to singing several choral services every week in Chapel, the College Choir also performs at concerts and other events in Oxford and internationally, serving as ambassadors of Worcester. Our adult choral scholars are regularly joined by the Worcester Choristers, boy trebles who have always been part of our musical tradition. The Organ Scholars assist the Director of College Music in accompanying and directing the Choir. Admission to the Choir is by audition: we welcome all who are interested to contact the [Director of College Music](#) in the first instance for an informal conversation.

CHRISTIAN UNION & CATHSOC

Worcester has a large and active CU, which organises its own events as part of the OICCU (Oxford Inter-Collegiate Christian Union) and contributes to the worship life of the Chapel. The CathSoc rep organises a termly Catholic Mass in Worcester. Details of who to contact about the CU or CathSoc are on the Chapel term card.

WOODROFFE SOCIETY

This open, non-judgemental, and frank lunchtime discussion group meets to discuss all kinds of issues related to faith, philosophy, and ethics. Details of its events will be published each term. There is also a regular dinner with an invited speaker to which the whole of College is invited. We also encourage further Chapel discussion groups, Bible study groups, and other activities that members may be interested in.

CONTACTS

Further information about the history of the Chapel, contact details, etc. can be found at <https://www.worc.ox.ac.uk/college-life/chapel>. You can also follow Chapel events on social media: [facebook.com/WorcesterCollegeChapel](https://www.facebook.com/WorcesterCollegeChapel) and [worchester_college_chapel](#) on Instagram

CHAPEL AND
FAITH

FACEBOOK

INSTAGRAM

9.5 MULTI-FAITH PRAYER ROOM AND LINKS

The Multi-Faith Prayer Room is available for all members of College to use as they wish for any form of prayer, reflection, meditation or simply as a quiet space to take a moment away from the rush of college life. Situated at the foot of staircase five in Main Quad, it has male and female washrooms nearby, as well as a small cupboard for your shoes if you desire to leave them outside the prayer room. Your BodCard provides access 24/7, and we simply ask that all users are respectful of others and keep the room quiet and tidy. It is possible to book the Prayer Room for a small group, and this is done by emailing the [Chaplain](#).

Worcester College is a broad and inclusive family. There are student societies for many different religious groups – you can find the contact details here: <https://edu.admin.ox.ac.uk/faith-societies> .

9.6 MUSIC

Worcester has a very strong musical tradition and there are many ways to get involved at the College or University level, as well as many concerts for those who prefer listening.

WORCESTER COLLEGE MUSIC SOCIETY

The student-run WCMS arranges an active calendar of events throughout the academic year, consisting of choral concerts, a regular series of chamber music recitals, and orchestral concerts. There are also opportunities for students to participate in less formal choir and instrumental groups. Some of these concerts take place beside the lake in the College grounds. For details of music practice rooms, see College Facilities.

[FOLLOW WCMC ON INSTAGRAM](#)

COLLEGE CHOIR

The College Choir sings a number of services in the Chapel each week during Full Term. In addition to the regular services, there are also occasional special services, both in College and at churches and cathedrals elsewhere, as well as an annual choir tour, either in the UK or abroad. Full choir practices take place regularly on specific weekdays, and there are separate practices for the boy trebles on selected weekday mornings.

The College is committed to providing a high standard of Chapel music and offers Choral Awards. Choral Awards are available to undergraduates and graduates of Worcester College reading for any Oxford degree. In addition, choral awards are occasionally given to singers who are not members of the College. The awards are called Choral Scholarships for undergraduates/graduates of the College and Choral Bursaries for everyone else. The number of awards available depends on the needs of the choir. The choral scholarships have a value of £300 p.a.

Holders of choral awards are required to sing in the Chapel Choir at the services and rehearsals as indicated above, and may also be called upon from time to time to assist the Organ Scholars in other duties relating to the choir. Auditions are usually held in freshers' week, and students who are interested in joining the choirs should contact the [Director of College Music](#).

ALLSORTS COMMUNITY CHOIR

The Worcester Allsorts is a non-auditioned community choir bringing together students, staff and other local singers to promote wellbeing. Rehearsals take place every Thursday lunchtime in Full Term (1.15pm–2pm) and are open to all.

CHOIR & CHAPEL
MUSIC

CHORAL & ORGAN
SCHOLARSHIPS

MUSIC AT
WORCESTER

INSTRUMENTAL AWARDS

Instrumental Awards are available to all undergraduate and graduate students of Worcester College reading for an Oxford degree, regardless of subject. Two are offered each year, on the basis of a short performance test. There are no specific duties attached, but it is expected that award-holders will assist in the fostering of the musical life of the College, and that they will agree, if called upon, to serve on the committee of the Worcester College Music Society.

INSTRUMENTAL SCHEME

Worcester's instrumental scheme gives students the opportunity to have free instrumental lessons and benefit from instrument hire. The scheme is open to all, regardless of degree subject, and offers the opportunity to carry on learning or begin from scratch. Applications are usually opened in Michaelmas each year - contact the [Director of College Music](#) for more information.

MUSIC PRACTICE ROOMS

The College has dedicated music practice space and students can book practice time. The College has a grand piano available for use in the Memorial Room, and also one in the Dance Studio. Students other than Music students or choral/instrumental scholars must obtain approval before being allowed to use these pianos: email roombookings@worc.ox.ac.uk for details. The piano in the Morley Fletcher Room can be played by any College member. Sometimes the Chapel can be used for small rehearsals: please contact the [Chaplain](#) for information.

9.7 SPORTING FACILITIES

The College has extensive sports grounds, which are used for many sports including, in the winter, rugby, football and hockey, and in the summer, cricket and tennis. Tennis courts can be booked on the college website. The College also has a gym. Before use of the gym students must arrange to receive an induction session. A number of these sessions will be offered early in the Michaelmas Term, and a further one, if necessary, in Hilary Term.

Organised team games are not permitted before 1pm on weekdays as these can cause noise disturbance (see also section 11, Non-Academic Rules and Regulations). The Dance Studio in the Sultan Nazrin Shah Centre can be booked for dance practice during term-time through the [Room Bookings page](#).

The College has no insurance policy for sporting injuries to students, and individuals concerned about this should arrange their own cover.

9.8 GUEST ROOMS

If there is available space, guests may be booked into one of the College guest rooms for up to 3 nights. Please email guestrooms@worc.ox.ac.uk for further information.

9.9 THE CELLAR BAR

The main College bar - The Cellar Bar - is located in the Pump Quad. The College runs the bar according to normal licensing rules. For the continuing enjoyment of all, it is important for all users to be respectful of the community around them. It is strictly forbidden for members of College who are under the age of 18 to consume alcohol on the premises, or for others to purchase alcohol for them to consume. If you have any

suggestions about any aspect of the bar, see the JCR/MCR Food and Bar Rep. Please use University cards enabled on the College's [UPay](#) system or credit/debit cards for purchases.

10. DATA-PROTECTION

The College will collect and use information about you in accordance with the principles set out in the College's Student Data Privacy Notice at www.worc.ox.ac.uk/about/governance/policies/privacy.

We may need to update this notice from time to time, for example if the law or regulatory requirements change, or to make Worcester College or the University's operations and procedures more efficient. If the change is material, we will give you not less than two months' notice of the change so that you can decide whether to exercise your rights, if appropriate, before the change comes into effect. We will notify you of the change by email and via the student intranet.

11. NON-ACADEMIC COLLEGE RULES AND REGULATIONS

The College is an academic community, and like all communities, we have rules in place to make sure that each member of our community is as inclusive, fair and happy as possible. The formal rules of our College community are set out below; if students do not abide by them, they could be subject to a disciplinary process. Disciplinary action may range from a verbal warning, through community service, to suspension or expulsion in very serious cases. Most disciplinary actions involve a period of community service.

Junior Members must follow the rules and policies outlined in this section and elsewhere in this handbook. They also have a general responsibility not to bring the College into disrepute by their actions, and to do their best to make the College an inclusive environment for all members of our community.

11.1 NON-ACADEMIC DISCIPLINE

Junior Members must co-operate with reasonable disciplinary instructions issued by one of the Porters, a departmental manager, a Junior Dean, the Assistant Dean, the Head of Student Welfare, the Dean, or member of College staff. Junior Members must identify themselves and their guests when asked to do so.

The Dean is responsible for discipline in College, assisted by the Head of Student Welfare, the Assistant Dean and the Junior Deans. Students with complaints to make about someone's behaviour should see one of these individuals, or the Academic Administrator, who is the College's harassment advisor. The Assistant Dean and Junior Deans live in College, and in the absence of the Dean have their full authority.

Complaints will be dealt with in confidence and no action will be taken without the consent of the complainant, unless there is the risk of immediate harm to self or others, or in a situation where it would be unsafe or unlawful to keep the information disclosed confidential.

The Dean may impose sanctions on students who fail to comply with College rules and regulations. The College's Student Disciplinary Policy can be found on the College website at this link. If an allegation of misconduct is made against a student, the Dean will investigate, including an opportunity for the student to present their version of events and any mitigating factors. If the Dean determines that misconduct has taken place, they will then determine what if any sanction to impose. Sanctions can range from a verbal warning to, for serious misconduct, removal from College facilities or expulsion from the College. Full details can be found in the policy. If a student is dissatisfied with the Dean's decision on a disciplinary issue, they have an automatic right of appeal to a Disciplinary Committee. The procedure for this is outlined in the policy. For serious sanctions involving suspension or expulsion from College, a student who is dissatisfied with the outcome of a Disciplinary Committee appeal has the right of further appeal to the Conference of Colleges Appeal Tribunal, which is independent of the College. A student who is dissatisfied with the outcome of an appeal to the Conference of Colleges Appeal Tribunal (for serious sanctions) or a Disciplinary Committee (for other sanctions) also has the right to complain to the Office of the Independent Adjudicator for Higher Education. Details on all of this can be found in the Student Disciplinary Policy, available on the [intranet](#).

COLLEGE POLICIES

11.2 USE OF PUBLIC ROOMS, PARTIES, FUNCTIONS

No more than 8 persons are allowed in College bedrooms. It should be borne in mind, however, that gatherings of fewer than 9 persons may still generate unacceptable amounts of noise and so may be asked to disperse.

Social gatherings in kitchens or other spaces which contravene the college's rules on noise, damage or disruption of others are prohibited. Porters and other college staff have absolute discretion to decide whether such a gathering should be brought to a close. Serious or persistent contraventions will be reported to the Dean.

Students wishing to host parties or functions may book public College rooms. These rooms include the Sainsbury Building Common Room and the Morley Fletcher Room (for parties), the Sultan Nazrin Shah Centre rooms, Staircase 5 Lecture Room and the Memorial Room for other meetings/events. Students should visit the '[Room Bookings](#)' section on the intranet to find out how to send a room booking request, and agree to abide by the stated room booking conditions.

Costs arising from damage or cleaning in the case of irresponsible or negligent use of the room will be charged to the student immediately. Room bookings must be completed well in advance to avoid disappointment.

Special functions involving several, inter-related events, e.g. Arts Week, require more detailed planning, and the advice of the Assistant Dean should be sought at the earliest opportunity.

Social events/parties may not be permitted during exam periods (usually 6th Week of Hilary until the end of Trinity).

The College has dedicated music practice space and students can book practice time (see section 9.6 above).

Functions in the Cellar Bar, Hall, MCR and JCR must be agreed with the Assistant Dean in principle, and then with the relevant departmental Manager. In the case of the Gardens, permission from the Garden Master must be sought.

Sleeping in any public room/space is not permitted.

11.3 NOISE

Although the College site is large, student rooms are grouped closely together, therefore it is essential that noise is kept within reasonable limits. It should always be possible for others to work in their own rooms without their concentration being disturbed. At night everyone should be able to sleep without disturbance.

It is equally important to be good neighbours to the private houses which surround our site. It is easy to forget, especially in the summer, that modern amplification equipment is powerful. Music coming through open windows can be a nuisance; open-air gatherings near the cricket pavilion or the Sainsbury Building terraces can produce complaints to the Environmental Health Department. Anyone considering organising a college event in the gardens featuring any kind of sound system or amplification should contact roombookings@worc.ox.ac.uk. Some events require authorisation from the Council well in advance, and to notify nearby residents of the nature and duration of the event.

Musical instruments and audio-equipment may be played only during 'Music Hours' within members' own rooms. At no time should the playing of musical instruments or electrical equipment (including radios and televisions) cause disturbance to other members of the College. 'Music Hours' are 12pm – 5pm and 7pm – 10pm in term time.

The College has dedicated music practice space and students can book practice time (see section 9.6 above).

Disturbance is not only caused by music, but by shouted conversations across the Quad, by rowdy behaviour, by the use of mobile phones, and by students slamming doors, especially when returning to College late at night.

Any complaint about noise should be made initially to the person responsible, if possible. If this is not appropriate or fails to resolve the problem, then the duty Porter (Lodge: 78300) should be contacted. Alternatively, the Junior Dean, the Assistant Dean, the Student Welfare Officer or Dean may be contacted. Action may be taken against anyone who is persistently responsible for excessive noise.

11.4 GUESTS

Up to four guests per host are welcome. However, the host is responsible for the following:

- Guest behaviour whilst in College and whilst leaving College grounds
- Accompanying guests in all public areas including the Hall and Bar
- Ensuring guests leave at the end of the event (by 12 midnight at the latest), and complying with any request to leave

Junior members may have one overnight guest over the age of 18 in their rooms at a time, provided this does not disturb their neighbours or unreasonably impact their neighbours' use of shared facilities, such as bathrooms and kitchens. In any fourteen-day period, junior members are allowed an overnight guest on no more than three nights. It is not permitted for a junior member to have a permanent or semi-permanent live-in guest.

For safety and security reasons, guests intending to enter accommodation blocks or rooms must first be met by their host at the Lodge, where Lodge staff will verify their entry. Additionally, for fire safety reasons, overnight guests must sign in at the Lodge, and the host must be present at the time of sign-in. The host remains responsible for their guest at all times.

11.5 COLLEGE GARDENS AND GROUNDS

Students are not allowed to sit or walk on the grass in the Main Quad or the banks which surround it, or to climb any trees. The gardens in front of the Nuffield Building are for students and, in the afternoons, members of the public, to walk and relax in. No ball games or similar (e.g. frisbees) are allowed there. Any breach of this rule will be reported to the Dean.

The lake in the College grounds is variable in depth and for safety reasons entering, boating on, or attempting to swim in the lake is strictly forbidden.

All games are restricted to the sports ground beyond the lake, where you will find a cricket pitch, football pitches, hard and grass tennis courts, and netball and basketball courts. A multi-gym is located close to the Earl Building. Organised team games are not permitted before 1pm on weekdays as these can cause noise disturbance.

Moderate post-examination celebrations are permitted in the College gardens, providing that they do not cause a disturbance. On no account should noxious substances be used and all litter must be removed afterwards. Care should be taken to avoid damage to plants and trees.

Groups gathered in the grounds should be considerate of the fact that others may be working nearby, and noise should be kept at an appropriate level. Musical instruments should not be played outdoors (except as a part of an approved activity). Barbeques are permitted only with the permission of the Assistant Dean and are restricted to the Sainsbury Common Room patio area, where there are designated barbeque pits.

Litter must not be left anywhere on College premises.

Alcohol must not be consumed on the sports pitches.

The overnight watering system recycles water from the lake. This water is not purified therefore students should not go in this water.

11.6 HEALTH AND SAFETY

The College is responsible for the health and safety of its members and employees. The Head of Works is the College Health and Safety Officer and there is a committee which monitors these matters.

All members of College are responsible for their own safety and that of others.

Incidents which are hazardous, or likely to become so, should be reported immediately to the Lodge and entered in the Near Miss Book.

Details of any accident must be reported to the Lodge and entered in the Accident Book.

Cooking in rooms is not allowed.

Firearms and fireworks may not be brought into College.

It is forbidden to climb on roofs and walls of buildings. It is also forbidden to use walkways that are accessed via windows or fire escapes except in an emergency.

Junior Members must produce evidence of their ability to swim before taking part in Boat Club activities; the Boat Club officers are responsible for making sure this requirement is fulfilled.

Punting is also potentially dangerous; almost every year there are accidents in Oxford. Junior Members are strongly advised to ensure that they and all members of punting parties are competent swimmers. Most punting accidents are connected with over-consumption of alcohol or disregard for the swollen state of the river after heavy rain.

Junior Members must ensure that any portable electrical equipment brought into the College is safe and maintained in a safe condition. No additional apparatus other than a computer, printer, razor, hair drier, stereo or TV is permitted in any room without requesting this via the Accommodation Team (accommodation@worc.ox.ac.uk). The flexes of existing ceiling or reading lamps may not be lengthened by additional flex, nor may the electric points be tampered with in any way. Below is outlined the College safety policy for electrical appliances.

ELECTRICAL EQUIPMENT

Any portable appliances brought into College must be PAT tested. Portable Appliance Testing is completed at the start of each academic year. If in any doubt, please request assistance via the Maintenance Helpdesk on the College website.

For overseas students, please note that the voltage supplied in College rooms is 220v–240v or 115/230v in 2 pin shaver points. Electric sockets take square 3 pin plugs. Please check the voltage of your appliance before using it. Take care not to overload extension leads.

Any equipment which becomes unsafe is not to be used and should be removed from the College. If any electrical equipment in your room is found to be unsafe, the College will notify you of this fact and will make arrangements for dealing with it in accordance with the degree of risk it poses. It may be labelled as unsafe, you may be instructed to remove it or, in extreme cases (for example, if there is a risk of fire or electrocution), it may be removed for safe keeping or disposal.

Junior Members are responsible for maintaining a reasonably safe environment for the College's employees who may have to enter their room e.g. ensuring that cables to personal electrical equipment are safe and cannot cause a trip hazard.

11.7 FIRE PRECAUTIONS AND SAFETY

The consequences of a serious fire in College accommodation could be catastrophic. Notwithstanding the precautions taken, vigilance on the part of all college members is essential. The College will provide all new students with information about fire safety on arrival and termly fire drills will be carried out.

All members must familiarise themselves with the emergency procedures in case of fire, and with their escape routes. This is particularly important for those living on staircases , 21, 22 and 23, where fire escape routes are upwards, onto the roof, and then down via the adjacent staircase.

There is an open walkway along the top of the Staircase between staircase 21-23, which act as fire exits.

Fire alarms are tested weekly. Students are required to comply with any fire drills and should be aware of the location of fire exits, and respond promptly to fire alarms, evacuating the building by the prescribed route in a calm and orderly way. When the alarm sounds, please exit the building and report to the specified assembly point. Do not collect personal belongings. Do not use lifts. Do not attempt to reset fire alarms.

Tampering with any fire precautions or fire-fighting equipment, including smoke detectors, is a criminal offence. In addition, the Dean will take internal disciplinary action against any offenders.

- Do not cover smoke detectors;
- Do not move fire extinguishers;
- Do not use fire extinguishers to prop open any doors;
- Do not tamper with fire extinguishers or fire call points;
- Do not wedge Fire Doors open;
- Do not tamper with locks/bolts on fire exits;
- Do not cook food in your bedroom;
- No smoking in any College building.

Lighted candles, burning incense, microwaves, sandwich makers, ovens, cookers and grills, or similar, are forbidden in student rooms.

Firearms and fireworks may not be brought into College.

11.8 USE OF IT

Also see section above on IT Facilities.

All students are encouraged to use the facilities provided by the College and the University. These facilities are intended for academic and academic-related purposes, but a certain amount of private use is acceptable.

The College's Information Security Policy can be found here: <https://unioxfordnexus.sharepoint.com/sites/WORC-GovPlan/SitePages/College-Policies.aspx>

There are rules governing the use of the computing system (see <https://governance.admin.ox.ac.uk/legislation/it-regulations-1-of-2002>). The College and the University take misuse of these facilities very seriously. A student's network service may be immediately terminated while investigations are conducted if a breach of the rules is suspected which may pose a security threat to the College's network. If substantiated, users may be required to see the Dean before their network connection is restored. Other action may also be taken in line with the Acceptable Use Policy which all students are required to agree to before accessing College IT facilities.

GOVERNING BODY POLICY ON COMPUTER USE

Network and Internet services must not be abused and are provided for justifiable academic purposes. Students should be aware that misuse of the network is taken seriously and downloading certain material is against the University regulations and, in some cases, the law. Every year several dozen students across the University face disciplinary action (including suspension) for offences that breach the University's 'acceptable use' policy. The College and University monitor Internet usage. In cases of abuse, internet connections may be withdrawn and students may face harsher penalties. The College may bill students for the actual costs incurred if their Internet use is excessive and cannot be justified on academic grounds. Students must not:

1. Deliberately misuse other people's accounts, including corruption or destruction of other users' data.
2. Send nuisance messages, disrupt the work of others or violate others' privacy.
3. Use College or University facilities for commercial gain without prior authorisation.
4. Waste staff effort or computing resources by accessing improper or inappropriate material from the Internet, or otherwise use the network in such a way that denies service to other users. Students who have a legitimate academic need to perform a task that may impinge on other users, must contact the IT Manager to obtain prior permission.
5. Display offensive material on web-pages.
6. Continue to use an item of networking software or hardware after the College has requested that use cease because it is causing disruption.
7. Misuse the College network or networked resources in other ways, for example by introducing viruses.
8. Bypass security rules on the network, which are in place to ensure that all users have an adequate level of access to this resource, and which help protect against viruses and other forms of attack. Students who believe they have a legitimate academic need to use the network in a manner that is prevented by College security rules, must make a request to the Chair of the Computing Committee via the IT Manager to discuss it.

9. Connect network devices to the College network. Only desktop computers, laptops and game consoles may be physically connected. All other physical devices such as wireless access points, switches and routers are expressly forbidden because incorrectly configured network devices can result in network failure.
10. Download or trade pirated software or copyrighted material. This is illegal and can also easily introduce viruses.
11. Use peer-to-peer (P2P) software. Access pornography or download large files for personal use.

The College requires any website that purports to be an “official” site associated with Worcester College to be hosted by the College. The College will host responsibly-run websites of College societies on condition that:

1. The site contains no stolen, unlawful, offensive or defamatory content, and is kept up-to-date.
2. The site is consistent with the Worcester College Acceptable Use Policy.
3. The site conforms to the University Regulations (see <https://governance.admin.ox.ac.uk/legislation>, specifically ‘University Discipline: Use of Information Technology Facilities’)
4. Separate content, not appropriate for public viewing, is restricted to an area only accessible by members of Worcester College. Material which is only of interest to College members is one example that would need to be stored in a restricted “College Members only” area. The Computing Department will provide a mechanism for controlling access to the restricted area.

Club members wishing to host an ‘official’ website within College should contact the IT Manager (computing.manager@worc.ox.ac.uk) in the first instance. The College treats site-hosting as a privilege it offers in return for responsible use and reserves the right to withdraw the privilege at any time if the Dean or his deputies judge it expedient to do so. The College also reserves the right to withdraw the service as required from time to time to undertake maintenance or to ensure the integrity of the network.

11.9 KITCHEN RULES

Shared kitchens are an important aspect of social life in Worcester College. It is important that kitchens are kept clean, tidy and in good repair, and that waste is disposed of promptly to avoid creating a hazard or attracting vermin.

If a kitchen is left in an unacceptable state, or if students refuse to deal with mess or hazards when asked to by members of the Housekeeping team, the Dean Team will meet with household members to discuss the issue. Recurrent or persistent problems with kitchens will be dealt with under the Student Disciplinary Policy, and in extreme cases may lead to students’ being required to leave College accommodation.

11.10 GOVERNING BODY POLICIES AND PROCEDURES

Please take the time to familiarise yourself with the College's policies and procedures.

COLLEGE POLICIES AND PROCEDURES

GOVERNING BODY POLICY ON SMOKING

Students found in breach of the [College's Smoking Policy](#) will be fined £30 for the first offence (suspended), £30 for the second offence (triggering payment of the first), and £60 for the third offence. The fourth offence will result in exclusion from College-owned accommodation and/or complete exclusion from all College premises.

Complaints about breaches of this regulation can be made, in confidence, to the Assistant Dean, assistant.dean@worc.ox.ac.uk.

GOVERNING BODY POLICY ON ALCOHOL

Alcohol is a drug, although its use in moderate quantities is viewed tolerantly in society. Its abuse can be harmful to oneself and others. Over-consumption can have serious long-term adverse effects on health, and fairly immediate adverse effects on the ability to do academic work. It is also the major cause of anti-social behaviour and abuse of emergency services.

All Members should be aware of the medically recommended maximum levels of alcohol consumption. Please see the NHS website for up-to-date maximum limits.

It is College policy that at all official events organised by the College, JCR and MCR, non-alcoholic drinks shall be available.

The College is not licensed to sell alcohol to anyone other than College members and their bona fide guests, and no function organised within College may do so, or advertise in any public place the availability of alcohol.

Drunk and/or disorderly behaviour is not permitted on College premises. College members who are drunk may be required to leave the College premises or retire to their rooms immediately. Disruptive behaviour may also give rise to disciplinary sanctions, including exclusion from certain facilities within the College.

Members and Associate members are reminded that they are responsible for the behaviour of their guests in College. Noise emanating from the bar must not disturb other members of College. If behaviour is deemed unacceptable, removal of the individual and/or closure of the bar may be required.

Junior Members should be aware that alcohol is a contributory factor in many breaches of College rules. Being under the influence of alcohol cannot be used as a mitigating circumstance for any misconduct on College premises.

It is strictly forbidden for members of College who are under the age of 18 to consume alcohol on the premises, or for others to purchase alcohol for them to consume.

GOVERNING BODY POLICY ON DRUGS

Under the law it is a criminal offence to take, possess, manufacture, pass to others or sell prohibited drugs.

Taking or possessing prohibited drugs in a College context will also be subject to investigation and potential action under the College's Student Disciplinary Policy. The manufacture, supply or sale of drugs in a College context constitutes serious misconduct, and is very likely to result in expulsion from the College.

Anyone with concerns about drugs is advised to contact the Student Welfare Officer or the College Nurse.

GOVERNING BODY POLICY ON ANTI-BRIBERY

Bribery is a criminal offence and prohibited in any form by the College. Transparency, integrity and compliance are of the utmost importance and the College has a zero tolerance of any type of corrupt activity which has the potential to impact on the legal, fair and professional conduct of business. The College and its members must ensure at all times that they do not risk damage to the College's reputation, placing themselves in a position in which the integrity of their dealings – even if conducted with the best of intentions – can be called into question.

The Criminal Anti-bribery Law applies to all those connected with Worcester College and its activities, regardless of their role or seniority, including employees and anyone acting and/or working on the College's behalf. It is an offence to offer, accept, receive or request any form of 'advantage' to, or from, any individual, company or Government (including anyone working for a Government) if to do this would involve a breach of an expectation that the transaction be conducted in good faith, with integrity, and fulfilling any obligations of trust placed on them.

The full Anti-Bribery Policy is available on the [here](#).

GOVERNING BODY POLICY ON LOCAL AND NATIONAL ELECTIONS

Members of College are free to campaign/canvas within College, subject to normal decanal rules of behaviour.

Members of College can sponsor a canvasser who is not a member of College provided that they treat this person as a guest. i.e. they are responsible for their conduct. The canvasser must be signed in at the Lodge and must be accompanied by a member of the College at all times.

Non-members of College are not allowed in to canvas within College or deposit material in pigeonholes under any circumstances. Leaflet material can be left with the porters for distribution at their discretion. Election material addressed to individual students will be distributed like any other post.

Election material, stickers etc. must not be displayed in public rooms and noticeboards.

Any queries about these procedures should be directed to the Dean.

POLICY AND PROCEDURES FOR THE USE OF COLLEGE OUTDOOR SPORTS FACILITIES

Policy

The use of Worcester's sports facilities falls under the management of the Head of Gardens and Grounds, who will use these guidelines to inform their decision-making.

Worcester College seeks to maximize the usage of its sports facilities, while ensuring the grass playing surfaces are sufficiently protected.

Procedures

1. Fixtures for sports teams representing Worcester College and using the Sports Ground including grass pitches and tennis / netball courts will be scheduled by the Grounds Manager in consultation with the Head of Gardens and Grounds (usually at the commencement of term), who will post this information on the College website.
2. Sports pitches and courts shall be available for scheduled fixtures 7 days a week during term (0th to 9th week).
3. Worcester will attempt to make a pitch or court available for all scheduled fixtures.
4. No scheduled fixture on grass shall be cancelled in order to preserve the playing surface for a later fixture, except when playing one fixture is likely to render it unusable for several later fixtures. All teams have equal priority in the use of the pitch(es).
5. The grass pitches are primarily intended for matches involving Worcester teams. Fixtures involving only non-Worcester teams may only be played at the discretion of the Head of Gardens and Grounds.
6. Access to a pitch or court may be withdrawn on the grounds of safety by the Head of Gardens and Grounds in consultation with the Grounds Manager, who will liaise with the relevant team Captain to seek to rearrange a cancelled fixture.
7. In icy or waterlogged conditions, notices may be erected asking all users to refrain from using the grounds (for scheduled and informal uses). In the absence of such warnings it remains the users' responsibility to assess the conditions for safety.
8. Worcester will endeavour to make a practice pitch available for training use and users will be encouraged to avoid unnecessary wear and tear to the match pitches during training.
9. The Worcester or 'home' captain is responsible for completing and implementing a risk assessment for all scheduled fixtures. The risk assessment shall include a protocol for taking into account safety considerations in the playing or continuing of a match.
10. All Worcester College members, staff and conference guests shall have access to the sports ground for 'pick-up' games or informal use throughout the day, subject to maintenance requirements and fair usage. Access to the playing surfaces shall not be unreasonably withheld.
11. Notwithstanding the above, only scheduled fixtures shall be played on the cricket square. The cricket square and the cricket tracks are never available for informal use.
12. Captains are required to assure themselves that no player or match official is taking part in any game whilst under the influence of alcohol or drugs and to prevent any such person taking part in the game. For safety reasons no glass

(i.e. bottles or glasses) is allowed onto the playing fields. Subject to licensing laws, alcohol may be consumed in the Pavilion after matches.

13. Enquiries about the implementation of this Policy and Procedures should be directed to the Head of Gardens and Grounds. Changes to these procedures are at the discretion of the Gardens and Grounds Committee.

In the event of an emergency, contact the Lodge on (01865) 278300.

COLLEGE COMPLAINTS PROCEDURE

Students who are dissatisfied with the College's action or lack of action, or with any College services, may make a complaint under our Student Complaints Procedure, which also contains provision for Review if a student is dissatisfied with the outcome of their complaint. The policy can be found here: <https://unioxfordnexus.sharepoint.com/sites/WORC-GovPlan/SitePages/College-Policies.aspx>

12. JCR (JUNIOR COMMON ROOM)

The term Junior Common Room (or JCR) has three meanings. Firstly, it refers to the actual room on Staircase 11 where students can relax, watch TV, play table tennis or just meet and chat with friends. Secondly, it is a collective term for all of the College's undergraduates. The College has three Common Rooms, of which the JCR is the largest. The Middle Common Room (MCR) is the post-graduate body and the Senior Common Room (SCR) is made up of tutors and professors. Thirdly, it refers to the College's student association, which looks after your interests as student members of Worcester.

Students will frequently come across the JCR during their time at Worcester. The JCR organises numerous events, runs schemes and promotes activities within College. Whether or not undergraduates choose to have a direct involvement in it, its actions do affect them; the JCR has a direct say in the way that the College is governed, and hopes that students will use its facilities – they are laid on for them.

In addition to its role in terms of organisation and the provision of facilities, the JCR fosters an enviable College spirit. Worcester is famously a friendly and welcoming College and this reputation is known across Oxford. The JCR works hard to promote the strong sense of community and belonging that our undergraduates have during their time at the College – freshers will find that within their first few days at Worcester, the sense of belonging and the real friendliness have already become strong.

[READ MORE ABOUT THE JCR HERE](#)

13. MCR (MIDDLE COMMON ROOM)

The Middle Common Room (or 'MCR') serves as the focal point for graduate life in Worcester College. The name 'MCR' refers to two entities: the first is the graduate centre that houses the MCR bar, computing/study room, and TV room; the second is the collective group of graduate students in College. Partners and spouses of MCR members are able to apply for Associate membership of the MCR.

READ MORE ABOUT THE MCR HERE

14. ACTIVITIES IN OXFORD

14.1 STUDENT UNIONS

Students who are members of the JCR or MCR are automatically a member of the Oxford University Students' Union (Oxford SU). This is because Worcester JCR and MCR, like other JCRs and MCRs, are affiliated to the Oxford SU. Oxford SU is the student union of the University as a whole and provides many services. It offers advice in many areas (e.g. housing, welfare) both to the body of the Junior and Middle Common Rooms as a whole, and to individual students. It also produces various useful publications including *The Oxford Handbook*, *The Women's Handbook* and the *Alternative Prospectus*, along with *The Living Out Guide*, *The Clubs and Societies Handbook* and a host of others. The Oxford SU shop and offices are located at 4 Worcester Street, OX1 2BX. The shop sells very good value stationery and the office provides low cost photocopying; students can also get an Oxford SU card which entitles them to other discounts. Oxford SU plays an important part in representing Oxford students across the University and has a large number of Committees covering a range of issues including academic affairs and access and admissions, and others working towards, for example, social justice and the support of LGBTQ rights. Students wanting to know more should read the Oxford SU termcard which should be available in pigeonholes on arrival. Alternatively, information can be obtained by contacting the Oxford SU Rep. on the JCR or MCR Committee or by accessing the student union website (<https://www.oxfordsu.org/>).

Oxford does not have a large central students' building. This is one of the major selling points of the Union Debating Society, which has a bar that can act as a meeting point out of College. However, there is a membership cost for the Union Debating Society, and membership of the Union is by no means essential. Students are advised to take some time deciding whether they want to join.

Worcester College JCR and MCR are not affiliated to the National Union of Students (NUS), which means that they are not, and cannot become, a member of the NUS. This is different from many other Oxford Colleges.

14.2 RAISE AND GIVE (RAG)

Like most universities, Oxford has a RAG (Raise and Give) or charity organisation. RAG organises many activities throughout the term, aimed at raising money for various charities. For more details it is worth signing up at the stall at Freshers' Fair or contacting the RAG Rep, JCR Charities Rep or MCR Charities Rep.

14.3 DRAMA

There are lots of theatres in Oxford and many opportunities to get involved in some way or another, whether as an actor, director, lighting operator or in any one of the other roles needed for a production. Although there are often advertisements for auditions or technical crew, a great way to get involved right from the start is through Buskins, the College's own drama society.

The first occasion is the annual Freshers' Drama Competition, known as 'Cuppers'. Each college is allowed to submit several productions and it is a great opportunity for the experienced and new alike. Worcester's real dramatic reputation, however, is made by its annual Garden Show, held in Trinity Term. Past productions have included Coriolanus and Twelfth Night. Buskins also helps support dramatic productions all over the University, but leans towards those with Worcester connections. More information about Buskins, or some tips on Oxford drama as a whole, can be obtained by going to the Buskins meeting at the start of term or contacting the Buskins President.

14.4 MUSIC

Worcester has a very strong musical tradition and there are many ways to get involved at the College or University level, as well as many concerts for those who prefer listening. [Caius Lee](#) is our Director of College Music, and he is ready to help with everything from getting you playing an instrument for the first time to helping your band find the kit you need for a gig.

Below are just some of the musical activities available in college - but please remember Oxford is full of venues, activities, orchestras, choirs, musical theatre, and all sorts of opportunities for you to make and listen to music!

WORCESTER COLLEGE MUSIC SOCIETY

The student-run WCMS arranges an active calendar of events throughout the academic year, consisting of choral concerts, a regular series of chamber music recitals, and orchestral concerts. There are also opportunities for students to participate in less formal choir and instrumental groups. Some of these concerts take place beside the lake in the College grounds. For details of music practice rooms, see College Facilities. [Follow WCMS on Instagram](#).

COLLEGE CHOIR

The College Choir sings a number of services in the Chapel each week during Full Term. In addition to the regular services, there are also occasional special services, both in College and at churches and cathedrals elsewhere, as well as an annual choir tour, either in the UK or abroad. Full choir practices take place regularly on specific

weekdays, and there are separate practices for the boy trebles on selected weekday mornings.

The College is committed to providing a high standard of Chapel music and offers Choral Awards. Choral Awards are available to undergraduates and graduates of Worcester College reading for any Oxford degree. In addition, choral awards are occasionally given to singers who are not members of the College. The awards are called Choral Scholarships for undergraduates/graduates of the College and Choral Bursaries for everyone else. The number of awards available depends on the needs of the choir. The choral scholarships have a value of £200 p.a.

Holders of choral awards are required to sing in the Chapel Choir at the services and rehearsals as indicated above, and may also be called upon from time to time to assist the Organ Scholars in other duties relating to the choir. Auditions are usually held in freshers' week, and students who are interested in joining the choirs should contact the Director of College Music.

ALLSORTS COMMUNITY CHOIR

The Worcester Allsorts is a non-auditioned community choir bringing together students, staff and other local singers to promote wellbeing. Rehearsals take place every Thursday lunchtime in Full Term (1.15pm-2pm) and are open to all.

INSTRUMENTAL AWARDS

Instrumental Awards are available to all undergraduate and graduate students of Worcester College reading for an Oxford degree, regardless of subject. Two are offered each year, on the basis of a short performance test. There are no specific duties attached, but it is expected that award-holders will assist in the fostering of the musical life of the College, and that they will agree, if called upon, to serve on the committee of the Worcester College Music Society.

INSTRUMENTAL SCHEME

Worcester's instrumental scheme gives students the opportunity to have free instrumental lessons and benefit from instrument hire. The scheme is open to all, regardless of degree subject, and offers the opportunity to carry on learning or begin from scratch. Applications are usually opened in Michaelmas each year - contact the Director of College Music for more information.

MUSIC PRACTICE ROOMS

The College has dedicated music practice space and students can book practice time. The College has a grand piano available for use in the Memorial Room, and also one in the Dance Studio. Students other than Music students or choral/instrumental scholars must obtain approval before being allowed to use these pianos: email roombookings@worc.ox.ac.uk for details. The piano in the Morley Fletcher Room can be played by any College member. Sometimes the Chapel can be used for small rehearsals: please contact the Chaplain for information.

14.5 SPORT

Worcester has a good reputation for sport at the College and University level, and there are plenty of opportunities to get involved. This is partly because of the College's wonderful facilities: hockey, football, rugby, five-a-side and cricket pitches,

and tennis courts. There is also a multi-gym on site and, for safety reasons, students must attend an induction session before using the gym.

College sport allows as many people who want to participate in a wide range of sports to do so, but commitment should never impinge upon academic work. There are many College teams of varying standards, and interested students should look out at the College Freshers' Fair or on the noticeboards in the lodge area for further information. The College's success rate is high in a wide range of sports, but the most important attribute is enthusiasm and there is always space for anyone to play at any level.

The University has about 70 sports societies. Oxford students have a strong sporting reputation and there are a number of facilities, with numerous college playing fields, the University Parks, and the Oxford University Sports Complex on the Iffley Road (www.sport.ox.ac.uk), which includes a swimming pool. Any student unable to find information about a particular sport should contact the JCR Sports Rep. Students interested in rowing must complete a certificate of competence to swim.

14.6 STUDENT MEDIA

Oxford has three student weekly newspapers and an FM radio station (87.7FM). *The Oxford Student* and *The Cherwell* provide news about Oxford students weekly, and *The Word* provides more of a critically arty style paper. Copies can be picked up free of charge in the Lodge or the JCR each week. Other student publications include *ISIS* and *The Owl*. *Oxygen*, the radio station founded, run, and presented by students, is also worth a try. Students interested in getting involved can sign up at the Freshers' Fair or can make direct contact. Worcester has its own JCR newsletter, *The Woosta Source*, to which students can contribute articles. The College JCR subscribes to a whole host of weekly and daily newspapers that can be found in the JCR.

14.7 GARDENS, LIBRARIES and MUSEUMS (GLAM)

The Gardens, Libraries and Museums of the University of Oxford contain some of the world's most significant collections. While they provide important places of scholarly enquiry, for the public they also represent the front door to the wealth of knowledge and research curated and generated at the University. They include:

- [Ashmolean Museum](#)
- [Bodleian Libraries](#)
- [Botanic Garden & Arboretum](#)
- [History of Science Museum](#)
- [Museum of Natural History](#)
- [Pitt Rivers Museum](#)

The [GLAM homepage](#) contains more information about each of the venues, their collections, exhibitions and public programmes.

15. DEVELOPMENT AND ALUMNI RELATIONS OFFICE

Students coming to Worcester to study, whether as an undergraduate, graduate, or visiting student, become a member of the College for life. This lifelong association is the reason for the term 'Old Member' which is used to describe all Worcester alumni. College keeps in touch with all those who have studied here, celebrating their achievements in later life, and enabling them to feel involved in the present-day College, through: social media channels, publications such as a termly e-Newsletter, the annual [Worcester Magazine](#), and the [College Record](#) (which details the last academic year), attending an event – in College, online, or further afield – as part of a busy and varied Old Member events programme, providing networks for careers advice and mentoring, or by making financial contributions to support present day students.

The Development Office is responsible for maintaining and building these lasting links with Old Members and for raising funds for student support through scholarships and bursaries, funding for academic Fellowships, and improvements to College buildings and grounds. Viola Kerr, Director of Development and Fellow, oversees these activities with the support of the Development Team.

The office runs an annual 'Telethon' fundraising campaign, with the assistance of a team of student callers, all of whom receive training and are paid for their time. Students call Old Members not only to seek their support, but to strengthen relationships through sharing student experiences and current news of College, verify address details, and to seek feedback on the events programme and publications.

We are keen to have support and input from current students – whether it is information on their awards or achievements, providing photographs or articles for publication in our e-newsletter or magazine, interest in the Telethon and fundraising, or new student initiatives of interest to Old Members – you can contact us on development@worc.ox.ac.uk or call +44 (0)1865 278346.

OLD MEMBER EVENTS

Students who wish to invite alumni (Old Members) back to the College in a formal capacity to subject, sports or society dinners will need to do so via the Development Office. The Development Office can facilitate the invitation and registration of Old Members for College events.

Students must ideally provide at least two months' notice prior to their event to the Development Office in order to facilitate Old Member involvement. Requests made one month or less prior to the event will not be considered.

Those looking to contact Old Members on the basis of subject or year group need only make their requests known to the Development Office. All sports and societies, excluding the Boat Club, will need to provide a list of Old Members to contact.

The Development Office, along with the Decanal Team, should be the first points of contact for organising Old Member events. Please note that the Development Office does not facilitate booking spaces, catering, or pricing, and will instead advise on who else to contact once the event has been approved by the Dean Team.

16. GLOSSARY

Ball	every 3 years there is a 'Commemoration Ball' in College, a big party in the College grounds, sometimes with a formal dress code
Battels	College bills for accommodation, utilities, & fixed charges.
Blue	awarded to someone who competes for Oxford against Cambridge. Whether students get a Blue or a Half Blue, depends on the sport.
Bod Card	used for access to College gates, libraries, computing services and some University buildings. Also used to pay for meals in college. Issued at the start of each course. Officially called a University Card.
Bop	a College party usually held in the bar and organised by the JCR Entertainment Committee.
Buskins	Worcester's own drama society.
Carfax	crossroads at the intersection of High Street, St Aldate's and Cornmarket.
Collections	College exams for undergraduates to make sure they have done their vacation work. These can be set at any time by tutors but are usually given at the end of 0th week in each term (not usually in their first term). Also means a formal report on progress, read to the Provost in the presence of the individual student ("Provost's Collections).
Coming up	coming into residence in Oxford at the start of term.
Commoner	what undergraduates become after matriculation and stay until they graduate, unless they become Scholars or Exhibitioners. The term derives from the Common Table at which all members of College eat together in Hall.
Cuppers	inter-collegiate competitions in just about anything.
Dean	the head of welfare and discipline in the college.
Decanal	the adjective for anything to do with the Dean or the Dean Team
Don	slang for 'Fellow', 'tutor', 'lecturer'
Eights	big inter-collegiate rowing race in 5th week of Trinity term.
Exhibitioner	an award for academic performance

Fac	refers to any subject faculty building (e.g. ‘the History Fac’); libraries and lectures may be here.
Finals	the main exams at the end of an undergraduate course.
First week	every Oxford full term has eight weeks, which are then numbered (first week, second week etc).
Formal Hall	second sitting of dinner; more formal in style (people usually dress up) and served at the table rather than cafeteria-style
Fresher	a first year student
Full Term	Sunday of first week to Saturday of eighth week.
Going down	leaving Oxford at the end of term.
Governing Body	the assembly of the Provost and Fellows which is ultimately responsible for the governance and running of the College, under the College Statutes.
Graduate Collections	annual meeting for graduate students to meet individually with the Provost and Senior Tutor to discuss their work.
Hall	location where students have breakfast, lunch and dinner in term time and where undergraduates sit Collections.
Hilary	2nd (Spring) term
JCC	Joint Consultative Committee. A committee comprising the Provost, certain Fellows of the College, JCR officers and MCR officers. Its purpose is to deal with matters of concern to the JCR and MCR and to make recommendations to the Governing Body on their behalf.
JCR	undergraduate student body (abbreviation of ‘Junior Common Room’, the room undergraduates use).
Junior Member	any undergraduate or graduate student of the College.
Lodge	where the Porters are based, at the entrance to College.
Lodgings	the Provost’s Lodgings (i.e. the building where the Provost’s office is based).
Matriculation	the ceremony that marks your formal admission to the University and usually takes place within your first few weeks in Oxford.
MCR	the postgraduate student body and the place that graduates use (from Middle Common Room).
Michaelmas	1st term (October – December)
Mods	Honours Moderations – name of first-year exams in some undergraduate courses.

Oxford SU	Oxford University Student Union – the body that officially represents all students in Oxford. Not to be confused with the Oxford Union Society, which is the university debating society
Penal Collection	an examination set by the College: failure to do as well as required may result in disciplinary action
Pigeon-hole or Pidge	set of named boxes where students' mail is left, in Staircase 15.
Pigeon Post	all colleges & university departments are part of a university postal network. This is free if you post fewer than 3 items at once. There are two collections per day.
Prelims	Preliminary Examinations – name of first-year exams in some undergraduate courses.
Provost	Worcester's Head of House (College).
Punt	flat boat propelled by a pole, a fun activity in the summer term
RSVP	<i>répondez s'il vous plait</i> ; please reply. Used at the end of invitations to request a response.
Rustication	serious punishment: a rusticated student is suspended and has to leave Oxford until given permission to resume studying.
SCR	group which includes members of the Governing Body and others who teach but are not Fellows, e.g., Research Fellows, Lecturers. There are also other members, such as senior non-academic staff. Abbreviation of 'Senior Common Room'
Scholar	what undergraduates become if they get a distinction/1st in their first year exams or if they perform well academically for a long period of time. Scholars are given a different gown to wear and receive a financial award.
Schools	building on the High Street where students sit exams or go to lectures (also home to the University Freshers' Fair). The same term is also used as shorthand for 'Final Honour Schools' i.e., undergraduates' final exams.
Scouts	housekeeping staff
Sending down	expulsion from the College
Senior Member	a Fellow, Research Fellow or Lecturer of the College (or University).
Senior Status	someone reading for an undergraduate degree who already has a degree
Subfusc	clothes that students have to wear for matriculation, examinations, graduation, etc.; see also section 4.6.

Suspension	time away from study to recover from health, personal or academic problems.
Torpids	not so large inter-collegiate rowing regatta in 5th week of Hilary Term, but just as much fun as Eights if the sun is out.
Tute	slang for tutorial
Tutorial	weekly or twice-weekly meeting (usually lasting an hour) for undergraduates with their tutor on their own or with one or two other students doing the same subject. Students will be asked to hand in work in advance, or to take work to a tutorial for discussion.
Trinity	3rd (Summer) term
Up	historic preposition used to describe being at Oxford (e.g. 'I was up at Worcester 1995–98'). Contrasts with 'going down'
